Within thirty days of being notified by the arresting agency that the prosecutor has declined prosecution, the Missouri state highway patrol crime laboratory shall determine whether the individual has any other qualifying offenses or arrests that would require a DNA sample to be taken and retained. If the individual has no other qualifying offenses or arrests, the crime laboratory shall expunge all DNA records in the database taken at the arrest for which the prosecution was declined pertaining to the person and destroy the DNA sample of such person.

11. When a DNA sample is taken of an arrestee for any offense listed under subsection 1 of this section and charges are filed:

(4) If the defendant is found not guilty, the court shall notify the state highway patrol crime laboratory of such verdict.

If the state highway patrol crime laboratory receives notice under this subsection, such crime laboratory shall determine, within thirty days, whether the individual has any other qualifying offenses or arrests that would require a DNA sample to be taken. JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

SIXTIETH DAY, WEDNESDAY, APRIL 27, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

Thou shalt not avenge, nor bear any grudge against the children of thy people, but thou shalt love thy neighbor as thyself: I am the Lord. (Leviticus 19:18)

O Creator, whose will it is that we do justly, love mercy, and walk humbly with You, forgive our crazy ways, our foolishness and our pride while the world suffers around us.

Remove from our hearts the spirit of mistrust, suspicion and ill will. Let our criticism of other representatives be as kindly as our criticism of ourselves and our relationship to others be as good as our relationship to ourselves lest bitterness blight our lives and in our hatred we destroy ourselves. Lead us in the paths of unity, peace and accord for Your name's sake and for the welfare of our show me state.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Jack Michael Powers.

The Journal of the fifty-ninth day was approved as printed by the following vote:

On motion of Representative Murphy, **House Amendment No. 2** was adopted.

Representative Haffner offered **House Amendment No. 3**.

House Amendment No. 3

AMEND House Committee Substitute for Senate Bill No. 820, Page 9, Section 442.404, Line 40, by inserting after all of said section and line the following:

"523.010. 1. In case land, or other property, is sought to be appropriated by any road, railroad, street railway, telephone, telegraph or any electrical corporation organized for the manufacture or transmission of electric current for light, heat or power, including the construction, when that is the case, of necessary dams and appurtenant canals, flumes, tunnels and tailraces and including the erection, when that is the case, of necessary electric steam powerhouses, hydroelectric powerhouses and electric substations or any oil, pipeline or gas corporation engaged in the business of transporting or carrying oil, liquid fertilizer solutions, or gas by means of pipes or pipelines laid underneath the surface of the ground, or other corporation created under the laws of this state for public use, and such corporation and the owners cannot agree upon the proper compensation to be paid, or in the case the owner is incapable of contracting, be unknown, or be a nonresident of the state, such corporation may apply to the circuit court of the county of this state where such land or any part thereof lies by petition setting forth the general directions in which it is desired to construct its road, railroad, street railway, telephone, or telegraph line or electric line, including, when that is the case, the construction and maintenance of necessary dams and appurtenant canals, tunnels, flumes and tailraces and, when that is the case, the appropriation of land submerged by the construction of such dam, and including the erection and maintenance, when that is the case, of necessary electric steam powerhouses, hydroelectric powerhouses and electric substations, or oil, pipeline, liquid fertilizer solution pipeline, or gas line over or underneath the surface of such lands, a description of the real estate, or other property, which the company seeks to acquire; the names of the owners thereof, if known; or if unknown, a pertinent description of the property whose owners are unknown and praying the appointment of three disinterested residents of the county, as commissioners, or a jury, to assess the damages which such owners may severally sustain in consequence of the establishment, erection and maintenance of such road, railroad, street railway, telephone, telegraph line, or electrical line including damages from the construction and maintenance of necessary dams and the condemnation of land submerged thereby, and the construction and maintenance of appurtenant canals, flumes, tunnels and tailraces and

the erection and maintenance of necessary electric steam powerhouses, hydroelectric powerhouses and electric substations, or oil, pipeline, or gas line over or underneath the surface of such lands; to which petition the owners of any or all as the plaintiff may elect of such parcels as lie within the county or circuit may be made parties defendant by names if the names are known, and by the description of the unknown owners of the land therein described if their names are unknown.

2. If the proceedings seek to affect the lands of persons under conservatorship, the conservators must be made parties defendant. If the present owner of any land to be affected has less estate than a fee, the person having the next vested estate in remainder may at the option of the petitioners be made party defendant; but if such remaindermen are not made parties, their interest shall not be bound by the proceedings.

3. It shall not be necessary to make any persons party defendants in respect to their ownership unless they are either in actual possession of the premises to be affected claiming title or having a title of the premises appearing of record upon the proper records of the county.

4. Except as provided in subsection 5 of this section, nothing in this chapter shall be construed to give a public utility, as defined in section 386.020, or a rural electric cooperative, as provided in chapter 394, the power to condemn property which is currently used by another provider of public utility service, including a municipality or a special purpose district, when such property is used or useful in providing utility services, if the public utility or cooperative seeking to condemn such property, directly or indirectly, will use or proposes to use the property for the same purpose, or a purpose substantially similar to the purpose for which the property is being used by the provider of the public utility service.

5. A public utility or a rural electric cooperative may only condemn the property of another provider of public utility service, even if the property is used or useful in providing utility services by such provider, if the condemnation is necessary for the public purpose of acquiring a nonexclusive easement or right-of-way across the property of such provider and only if the acquisition will not materially impair or interfere with the current use of such property by the utility or cooperative and will not prevent or materially impair such provider of public utility service from any future expansion of its facilities on such property.

6. If a public utility or rural electric cooperative seeks to condemn the property of another provider of public utility service, and the conditions in subsection 4 of this section do not apply, this section does not limit the condemnation powers otherwise possessed by such public utility or rural electric cooperative.

7. Suits in inverse condemnation or involving dangerous conditions of public property against a municipal corporation established under Article VI, Section 30(a) of the Missouri Constitution shall be brought only in the county where such land or any part thereof lies.

8. For purposes of this chapter, the authority for an electrical corporation as defined in 386.020 to condemn property shall not extend to the construction of merchant transmission lines with Federal Energy Regulatory Commission negotiated rate authority that provide less than fifty percent of their electrical load to end user electrical customers in this state and less than fifty percent of the cost of the merchant transmission line is paid for by Missouri ratepayers. For purposes of this subsection, the term "merchant transmission line" means a high-voltage direct current electrical transmission line that does not provide for the erection of electric substations at intervals of less than fifty miles, which substations are necessary to accommodate both the purchase and sale to persons located in this state of electricity generated or transmitted by such electrical corporation.

523.025. If an electrical corporation as defined in section 386.020, except for an electrical corporation operating under a cooperative business plan as described in section 393.110, acquires any involuntary easement by means of eminent domain and does not obtain the financial commitments necessary to construct a project for which the involuntary easement was needed within five years of the date that such easement rights are recorded with the appropriate county recorder of deeds, the corporation shall return possession of the easement to the fee simple title holder within sixty days and cause the dissolution of the easement to be recorded with the county recorder of deeds. In the event of such return of the easement to the title holder, no reimbursement of any payment made by the corporation to the title holder shall be due.

523.039. **1.** In all condemnation proceedings filed after December 31, 2006, just compensation for condemned property shall be determined under one of the three following subdivisions, whichever yields the highest compensation, as applicable to the particular type of property and taking:

- (1) An amount equivalent to the fair market value of such property;
- (2) For condemnations that result in a homestead taking, an amount equivalent to the fair market value of such property multiplied by one hundred twenty-five percent; or

(3) For condemnations of property that result in any taking that prevents the owner from utilizing property in substantially the same manner as it was currently being utilized on the day of the taking and involving property owned within the same family for fifty or more years, an amount equivalent to the sum of the fair market value and heritage value. For the purposes of this subdivision, family ownership of property may be established through evidence of ownership by children, grandchildren, siblings, or nephews or nieces of the family member owning the property fifty years prior to the taking; and in addition, may be established through marriage or adoption by such family members. If any entity owns the real property, members of the family shall have an ownership interest in more than fifty percent of the entity in order to be within the family line of ownership for the purposes of this subdivision. The property owner shall have the burden of proving to the commissioners or ~~jury~~ court that the property has been owned within the same family for fifty or more years.

2. For condemnation of any agricultural or horticultural property by an electrical corporation as defined in section 386.020, except for an electrical corporation operating under a cooperative business plan as described in section 393.110, just compensation shall be an amount equivalent to fair market value multiplied by one hundred fifty percent, as determined by the court.

523.040. 1. The court, or judge thereof in vacation, on being satisfied that due notice of the pendency of the petition has been given, shall appoint three disinterested commissioners, who shall be residents of the county in which the real estate or a part thereof is situated, and in any city not within a county, any county with a charter form of government and with more than one million inhabitants, or any county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants at least one of the commissioners shall be either a licensed real estate broker or a state-licensed or state-certified real estate appraiser, to assess the damages which the owners may severally sustain by reason of such appropriation, who, within forty-five days after appointment by the court, which forty-five days may be extended by the court to a date certain with good cause shown, after applying the definition of fair market value contained in subdivision (1) of section 523.001, and after having viewed the property, shall return to the clerk of such court, under oath, their report in duplicate of such assessment of damages, setting forth the amount of damages allowed to the person or persons named as owning or claiming the tract of land condemned, and should more than one tract be condemned in the petition, then the damages allowed to the owner, owners, claimant or claimants of each tract, respectively, shall be stated separately, together with a specific description of the tracts for which such damages are assessed; and the clerk shall file one copy of said report in his office and record the same in the order book of the court, and he shall deliver the other copy, duly certified by him, to the recorder of deeds of the county where the land lies (or to the recorder of deeds of the city of St. Louis, if the land lies in said city) who shall record the same in his office, and index each tract separately as provided in section 59.440, and the fee for so recording shall be taxed by the clerk as costs in the proceedings; and thereupon such company shall pay to the clerk the amount thus assessed for the party in whose favor such damages have been assessed; and on making such payment it shall be lawful for such company to hold the interest in the property so appropriated for the uses prescribed in this section; and upon failure to pay the assessment, the court may, upon motion and notice by the party entitled to such damages, enforce the payment of the same by execution, unless the said company shall, within ten days from the return of such assessment, elect to abandon the proposed appropriation of any parcel of land, by an instrument in writing to that effect, to be filed with the clerk of the court, and entered on the minutes of the court, and as to so much as is thus abandoned, the assessment of damages shall be void.

2. Prior to the issuance of any report under subsection 1 of this section, a commissioner shall notify all parties named in the condemnation petition no less than ten days prior to the commissioners' viewing of the property of the named parties' opportunity to accompany the commissioners on the commissioners' viewing of the property and of the named parties' opportunity to present information to the commissioners.

3. The commissioners shall view the property, hear arguments, and review other relevant information that may be offered by the parties.

4. In any condemnation proceeding involving agricultural or horticultural property, at least one of the disinterested commissioners appointed by the court shall be a farmer who has been engaged in farming, as defined in section 350.010, for a minimum of ten years in the county where such property is situated.

523.060. 1. Any plaintiff or defendant, individual or corporate, shall have the right of trial by jury of twelve persons, if either party file exceptions to the award of commissioners in any condemnation case.

2. Such jury shall use the definition of fair market value provided for in subdivision (1) of section 523.001.

3. In any condemnation proceeding commenced by an electrical corporation as defined in section 386.020, except for an electrical corporation operating under a cooperative business plan as described in section 393.110, if the amount awarded is greater than the offer made by the condemning authority pursuant to section 523.253, the court may award attorney's fees to the property owner."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

324.953. 1. The division shall adopt, implement, rescind, amend, and administer such rules as may be necessary to carry out the provisions of sections 324.950 to 324.983. The division may promulgate necessary rules authorized or as required to explain or clarify sections 324.950 to 324.983 including, but not limited to, rules relating to professional conduct, continuing competency requirements for the renewal of licenses, approval of continuing competency programs, fees, and the establishment of ethical standards of business practice for persons holding a license under sections 324.950 to 324.983. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void.

2. For the purpose of sections 324.950 to 324.983, the division shall:

- (1) Establish all applicable fees, set at an amount that shall not substantially exceed the cost of administering sections 324.950 to 324.983; and
- (2) Deposit all fees collected under sections 324.950 to 324.983 by transmitting such funds to the department of revenue for deposit to the state treasury to the credit of the Missouri mechanical contractor licensing fund.

3. Nothing in sections 324.950 to 324.983 shall apply to any certification required by regulation adopted under subdivision (3) of subsection 13 of section 323.025.

324.956. There is hereby created the "Office of Mechanical Contractors" to be housed within the division of professional registration. The division shall:

- (1) Employ, within the limits of the funds appropriated, persons as are necessary to carry out the provisions of sections 324.950 to 324.983, including both administrative and professional staff and legal counsel, with the discretion to hire experts in mechanical contracting to advise the division on technical matters related to mechanical contracting;
- (2) Exercise all budgeting, purchasing, reporting, and related management functions;
- (3) Conduct investigations to determine compliance with sections 324.950 to 324.983; and
- (4) File suit in its own name on behalf of the office to enforce the provisions of sections 324.950 to 324.983.

324.959. 1. The applicant for a statewide mechanical contractor license shall satisfy the following requirements:

- (1) Be at least twenty-one years of age;
- (2) Provide proof of liability insurance in the amount of one million dollars and post bond with each political subdivision in which he or she will perform work as required by that political subdivision. If a political subdivision requires any license holder to be named on a document including, but not limited to, the bond, the license holder of the mechanical contractor shall be allowed to provide services in the political subdivision;
- (3) Pass:
 - (a) A standardized mechanical assessment test nationally offered by:

- a. The International Code Council;
 - b. Prometric; or
 - c. The International Association of Plumbing and Mechanical Officials (IAPMO); or
- (b) A test similar to any test described in paragraph (a) of this subdivision that is administered by an independent professional testing agency not affiliated with any political subdivision or the state of Missouri and that is approved by the division;
- (4) Pay for all costs associated with the tests described in subdivision (3) of this subsection;
 - (5) Complete the application form provided by the division and pay any applicable application fees;
- and

(6) Have completed seven thousand five hundred hours of verifiable field experience in mechanical contracting work or a bachelor's or further advanced degree in mechanical or civil engineering from an accredited college or university with a minimum of three years of verifiable experience directing and supervising at least one field employee.

2. Any applicant for licensure who holds a local license or other license authorizing him or her to engage in mechanical contracting, who has seven thousand five hundred hours of verifiable field experience in mechanical contracting work, and who is otherwise eligible for licensure shall be issued a statewide mechanical contractor license. The provisions of this subsection shall apply only to licenses issued by a political subdivision with the legal authority to issue such licenses.

3. If a corporation, firm, institution, organization, company, or representative thereof desires to engage in mechanical contracting under sections 324.950 to 324.983, it shall have in its employ at least one statewide license holder in accordance with sections 324.950 to 324.983. A statewide mechanical contractor license holder shall represent only one corporation, firm, institution, organization, or company at one time. A mechanical contractor shall have one license holder responsible for offering Missouri-based field employees eight contact hours of industry training per year, and such mechanical contractor shall be responsible for providing proof of training to the division upon request. In the event of a loss of a license holder, a mechanical contractor shall remain in good standing with the division for six months after notifying the division of the change in status. Within the six-month period, a new license holder shall be registered with the division. If no license holder is registered within such six-month period, the division shall declare the mechanical contractor inactive.

4. The division may issue a statewide mechanical contractor license to any person who holds a current and active license to engage in the practice of a mechanical contractor or as a master pipefitter or master plumber issued by any other state, the District of Columbia, or any territory of the United States that requires standards for licensure, registration, or certification considered to be equivalent or more stringent than the requirements for licensure under sections 324.950 to 324.983.

5. Where the contact information of a mechanical contractor's employees is required to fulfill the obligations of a license, such contact information shall be considered a trade secret and therefore not a public record under chapter 610.

324.962. 1. Political subdivisions shall not be prohibited from establishing their own local mechanical contractor's license but shall recognize a statewide license in lieu of a local license for the purposes of performing contracting work or obtaining permits to perform work within such political subdivision. No political subdivision shall require the employees of a statewide licensed mechanical contractor or its subcontractors' or manufacturers' representatives to obtain journeyman licenses, apprentice licenses, or occupation licenses that require passing any examination or any special requirements to assess proficiency or mastery of the mechanical trade. The workforce of a statewide licensee shall be deemed eligible to perform mechanical contracting work and to obtain permits to perform such work from any political subdivision within the state of Missouri.

2. If a political subdivision does not recognize a statewide license in lieu of a local license for the purposes of performing contracting work or obtaining permits to perform work within the political subdivision, a statewide mechanical contractor licensee may file a complaint with the division. The division shall perform an investigation into the complaint, and if the division finds that the political subdivision failed to recognize a statewide license in accordance with this section, the division shall notify the political subdivision that the political subdivision has violated the provisions of this section and has thirty days to comply with this section. If after thirty days the political subdivision still does not recognize a statewide license, the division shall notify the director of the department of revenue, who shall withhold any moneys the noncompliant political subdivision would otherwise be entitled to from local sales tax, as defined in section 32.085, until the director has received notice from the division that the political subdivision is in compliance

with this section. Upon the political subdivision coming into compliance with the provisions of this section, the division shall notify the director of the department of revenue, who shall disburse all funds held under this subsection. Moneys held by the director of the department of revenue under this subsection shall not be deemed to be state funds and shall not be commingled with any funds of the state.

3. The provisions of this section shall not prohibit any political subdivision in this state from:

- (1) Enforcing any technical code or law contained in this section;
- (2) Requiring a business license to perform mechanical contracting work;
- (3) Issuing mechanical contracting permits;
- (4) Enforcing technical codes of the political subdivision; or
- (5) Inspecting the work of a statewide mechanical contractor.

4. Political subdivisions that do not have the authority to issue or require mechanical contractor licenses prior to August 28, 2022, shall not be granted such authority under the provisions of this section.

324.965. There is hereby created in the state treasury the "Missouri Mechanical Contractor Licensing Fund", which shall consist of moneys collected under sections 324.950 to 324.983. The state treasurer shall be custodian of the fund and may approve disbursements from the fund in accordance with sections 30.170 and 30.180. Upon appropriation, moneys in the fund shall be used solely for the administration of sections 324.950 to 324.983. The provisions of section 33.080 to the contrary notwithstanding, moneys in this fund shall not be transferred and placed to the credit of general revenue until the amount in the fund at the end of the biennium exceeds three times the amount of the appropriation from the fund for the preceding fiscal year. The amount, if any, in the fund that shall lapse is that amount in the fund that exceeds the appropriate multiple of the appropriations from the fund for the preceding fiscal year. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

324.968. 1. Licenses shall expire on a renewal date established by the division. The term of licensure shall be twenty-four months. The division shall mail a renewal notice to the last known address of each person licensed under sections 324.950 to 324.983 prior to the renewal date. Failure to provide the division with the information required for renewal or to pay the required fee after such notice shall result in the license being declared inactive. The licensee shall not practice until he or she applies for reinstatement and pays the required fees. The license shall be restored if the application for reinstatement is received within two years of the renewal date.

2. In addition to other requirements provided by sections 324.950 to 324.983 and established by the division, in order to renew such license under this section, the person shall have at least sixteen contact hours of industry-related training.

324.971. Any person operating as a mechanical contractor in a political subdivision that does not require the mechanical contractor to hold a local license, or who operates as a mechanical contractor in a political subdivision that requires a local license possessed by that person, shall not be required to possess a statewide license under sections 324.950 to 324.983 to operate as a mechanical contractor in such political subdivision.

324.977. The statewide mechanical contractor license shall be regulated by the division of professional registration and not a state-appointed licensing board.

324.980. 1. The division may refuse to issue a statewide mechanical contractor license for one or any combination of causes stated in subsection 2 of this section. The division shall notify the applicant in writing of the reasons for the refusal and shall advise the applicant of his or her right to file a complaint with the administrative hearing commission as provided by chapter 621.

2. The division may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621 against any license holder or any person who has failed to renew or has surrendered his or her license for any one or any combination of the following causes:

(1) Use of any controlled substance, as defined in chapter 195, or alcoholic beverage to an extent that such use impairs a person's ability to perform the work of any profession licensed or regulated by sections 324.950 to 324.983;

(2) The person has been finally adjudicated and found guilty, or entered a plea of guilty or nolo contendere, in a criminal prosecution under the laws of any state, of the United States, or of any country for any offense directly related to the duties and responsibilities of the occupation, as set forth in section 324.012, regardless of whether a sentence is imposed;

(3) Use of fraud, deception, misrepresentation, or bribery in securing any license issued under sections 324.950 to 324.983 or in obtaining permission to take any examination given or required under sections 324.950 to 324.983;

(4) Obtaining or attempting to obtain any fee, charge, tuition, or other compensation by fraud, deception, or misrepresentation;

(5) Incompetency, misconduct, gross negligence, fraud, misrepresentation, or dishonesty in the performance of the functions or duties of any profession licensed or regulated by sections 324.950 to 324.983;

(6) Violation of, or assisting or enabling any person to violate, any provision of sections 324.950 to 324.983, or of any lawful rule or regulation adopted thereunder;

(7) Impersonation of any person holding a statewide mechanical contractor license or allowing any person to use his or her license or diploma from any school;

(8) Disciplinary action against the holder of a license or other right to practice any profession regulated by sections 324.950 to 324.983 granted by another political subdivision, state, territory, federal agency, or country upon grounds for which revocation or suspension is authorized in this state;

(9) A person is finally adjudged mentally incompetent by a court of competent jurisdiction;

(10) Assisting or enabling any person to practice or offer to practice any profession licensed or regulated by sections 324.950 to 324.983 who is not licensed and currently eligible to practice thereunder in the particular jurisdiction;

(11) Issuance of a license based upon a material mistake of fact;

(12) Failure to maintain liability coverage as required for initial licensure;

(13) Violation of any professional trust or confidence;

(14) Use of any advertisement or solicitation that is false, misleading, or deceptive to the general public or persons to whom the advertisement or solicitation is primarily directed; or

(15) Failure to post bond as required by any local jurisdiction.

3. After the filing of such complaint, the proceedings shall be conducted in accordance with the provisions of chapter 621. Upon a finding by the administrative hearing commission that the grounds provided in subsection 2 of this section for disciplinary action are met, the division may, singly or in combination, censure or place the person named in the complaint on probation on such terms and conditions as the division deems appropriate for a period not to exceed five years, or may suspend, for a period not to exceed three years, or revoke any license issued under sections 324.950 to 324.983.

4. An individual whose license has been revoked shall wait three years from the date of revocation to apply for any license under sections 324.950 to 324.983. Any license shall be issued at the discretion of the division after compliance with all the requirements of sections 324.950 to 324.983 relative to the licensing or registration of the applicant for the first time.

5. The division may file suit to enforce compliance and shall have the authority to seek injunctions and restraining orders to enjoin any person from:

(1) Offering to engage or engaging in the performance of any acts or practices for which a license is required upon a showing that such acts or practices were performed or offered to be performed without a license;

(2) Engaging in the practice of business authorized by a license issued under a building trades contractor law upon a showing that the license holder presents a substantial probability of serious harm to the health, safety, or welfare of any resident of this state or owner or lessee of real property within this state; or

(3) Refusing to recognize a statewide license as a valid license within any political subdivision, requiring journeymen or apprentices to be individually licensed, or requiring subcontractors' and manufacturers' representatives or other members of the contractor's workforce to be licensed.

6. The division may assess fines for violations of any of the provisions of sections 324.950 to 324.983 in an amount not to exceed five thousand dollars per occurrence upon a judicial or administrative finding of violation of law.

7. The division may compel the production of documents, things, or persons by subpoena.

8. The division may refer any violations of the provisions of any state law or local ordinance relating to the work performed by a licensee to the appropriate state or local official.

324.983. 1. Any person who knowingly violates any provision of sections 324.950 to 324.983 is guilty of a class B misdemeanor.

2. Any officer or agent of a corporation or member or agent of a partnership or association who knowingly and personally participates in or is an accessory to any violation of sections 324.950 to 324.983 is guilty of a class B misdemeanor.

3. The division may file suit for any violation of sections 324.950 to 324.983 in any court of competent jurisdiction and perform such other acts as may be necessary to enforce the provisions of sections 324.950 to 324.983."; and

House Amendment No. 6

AMEND House Committee Substitute for Senate Bill No. 820, Page 1, Section A, Line 3, by inserting after all of said section and line the following:

"144.030. 1. There is hereby specifically exempted from the provisions of sections 144.010 to 144.525 and from the computation of the tax levied, assessed or payable pursuant to sections 144.010 to 144.525 such retail sales as may be made in commerce between this state and any other state of the United States, or between this state and any foreign country, and any retail sale which the state of Missouri is prohibited from taxing pursuant to the Constitution or laws of the United States of America, and such retail sales of tangible personal property which the general assembly of the state of Missouri is prohibited from taxing or further taxing by the constitution of this state.

2. There are also specifically exempted from the provisions of the local sales tax law as defined in section 32.085, section 238.235, and sections 144.010 to 144.525 and 144.600 to 144.761 and from the computation of the tax levied, assessed or payable pursuant to the local sales tax law as defined in section 32.085, section 238.235, and sections 144.010 to 144.525 and 144.600 to 144.745:

(1) Motor fuel or special fuel subject to an excise tax of this state, unless all or part of such excise tax is refunded pursuant to section 142.824; or upon the sale at retail of fuel to be consumed in manufacturing or creating gas, power, steam, electrical current or in furnishing water to be sold ultimately at retail; or feed for livestock or poultry; or grain to be converted into foodstuffs which are to be sold ultimately in processed form at retail; or seed, limestone or fertilizer which is to be used for seeding, liming or fertilizing crops which when harvested will be sold at retail or will be fed to livestock or poultry to be sold ultimately in processed form at retail; economic poisons registered pursuant to the provisions of the Missouri pesticide registration law, sections 281.220 to 281.310, which are to be used in connection with the growth or production of crops, fruit trees or orchards applied before, during, or after planting, the crop of which when harvested will be sold at retail or will be converted into foodstuffs which are to be sold ultimately in processed form at retail;

(2) Materials, manufactured goods, machinery and parts which when used in manufacturing, processing, compounding, mining, producing or fabricating become a component part or ingredient of the new personal property resulting from such manufacturing, processing, compounding, mining, producing or fabricating and which new personal property is intended to be sold ultimately for final use or consumption; and materials, including without limitation, gases and manufactured goods, including without limitation slagging materials and firebrick, which are ultimately consumed in the manufacturing process by blending, reacting or interacting with or by becoming, in whole or in part, component parts or ingredients of steel products intended to be sold ultimately for final use or consumption;

(3) Materials, replacement parts and equipment purchased for use directly upon, and for the repair and maintenance or manufacture of, motor vehicles, watercraft, railroad rolling stock or aircraft engaged as common carriers of persons or property;

(4) Replacement machinery, equipment, and parts and the materials and supplies solely required for the installation or construction of such replacement machinery, equipment, and parts, used directly in manufacturing, mining, fabricating or producing a product which is intended to be sold ultimately for final use or consumption; and machinery and equipment, and the materials and supplies required solely for the operation, installation or construction of such machinery and equipment, purchased and used to establish new, or to replace or expand existing, material recovery processing plants in this state. For the purposes of this subdivision, a "material recovery processing plant" means a facility that has as its primary purpose the recovery of materials into a usable product or a different form which is used in producing a new product and shall include a facility or equipment which are used exclusively for the collection of recovered materials for delivery to a material recovery processing plant but shall not include motor vehicles used on highways. For purposes of this section, the terms motor vehicle and highway shall have the same meaning pursuant to section 301.010. For the purposes of this subdivision, subdivision (5) of this subsection, and section 144.054, as well as the definition in subdivision (9) of subsection 1 of section 144.010, the term "product" includes telecommunications services and the term "manufacturing" shall include the production, or production and transmission, of telecommunications services. The preceding sentence does not make a substantive change in the law and is intended to clarify that the term "manufacturing" has included and continues to include the production and transmission of "telecommunications services", as enacted in this subdivision and subdivision (5) of this subsection, as well as the definition in subdivision (9) of subsection 1 of section 144.010. The preceding two sentences reaffirm legislative intent consistent with the interpretation of this subdivision and subdivision (5) of this subsection in *Southwestern Bell Tel. Co. v. Director of Revenue*, 78 S.W.3d 763 (Mo. banc 2002) and *Southwestern Bell Tel. Co. v. Director of Revenue*, 182 S.W.3d 226 (Mo. banc 2005), and accordingly abrogates the Missouri supreme court's interpretation of those exemptions in *IBM Corporation v. Director of Revenue*, 491 S.W.3d 535 (Mo. banc 2016) to the extent inconsistent with this section and *Southwestern Bell Tel. Co. v. Director of Revenue*, 78 S.W.3d 763 (Mo. banc 2002) and *Southwestern Bell Tel. Co. v. Director of Revenue*, 182 S.W.3d 226 (Mo. banc 2005). The construction and application of this subdivision as expressed by the Missouri supreme court in *DST Systems, Inc. v. Director of Revenue*, 43 S.W.3d 799 (Mo. banc 2001); *Southwestern Bell Tel. Co. v. Director of Revenue*, 78 S.W.3d 763 (Mo. banc 2002); and *Southwestern Bell Tel. Co. v. Director of Revenue*, 182 S.W.3d 226 (Mo. banc 2005), is hereby affirmed. Material recovery is not the reuse of materials within a manufacturing process or the use of a product previously recovered. The material recovery processing plant shall qualify under the provisions of this section regardless of ownership of the material being recovered;

(5) Machinery and equipment, and parts and the materials and supplies solely required for the installation or construction of such machinery and equipment, purchased and used to establish new or to expand existing manufacturing, mining or fabricating plants in the state if such machinery and equipment is used directly in manufacturing, mining or fabricating a product which is intended to be sold ultimately for final use or consumption. The construction and application of this subdivision as expressed by the Missouri supreme court in *DST Systems, Inc. v. Director of Revenue*, 43 S.W.3d 799 (Mo. banc 2001); *Southwestern Bell Tel. Co. v. Director of Revenue*, 78 S.W.3d 763 (Mo. banc 2002); and *Southwestern Bell Tel. Co. v. Director of Revenue*, 182 S.W.3d 226 (Mo. banc 2005), is hereby affirmed;

(12) Electrical energy used in the actual primary manufacture, processing, compounding, mining or producing of a product, or electrical energy used in the actual secondary processing or fabricating of the product, or a material recovery processing plant as defined in subdivision (4) of this subsection, in facilities owned or leased by the taxpayer, if the total cost of electrical energy so used exceeds ten percent of the total cost of production, either primary or secondary, exclusive of the cost of electrical energy so used or if the raw materials used in such processing contain at least twenty-five percent recovered materials as defined in section 260.200. There shall be a rebuttable presumption that the raw materials used in the primary manufacture of automobiles contain at least twenty-five percent recovered materials. For purposes of this subdivision, "processing" means any mode of treatment, act or series of acts performed upon materials to transform and reduce them to a different state or thing, including treatment necessary to maintain or preserve such processing by the producer at the production facility;

(13) Anodes which are used or consumed in manufacturing, processing, compounding, mining, producing or fabricating and which have a useful life of less than one year;

(5) Any map of broadband services accessible to the public shall exclude:

(a) The location or identity of any critical infrastructure used by public or private entities to provide internet services;

(b) Any identifying information of users, including name and IP addresses; and

(c) Any information designated as confidential for public security reasons by the United States Department of Homeland Security or the department of public safety. However, it shall be the duty of the public and private entities to make the council aware of such confidential designation, and the actual or estimated upstream data rates and downstream data rates of an area or region of the state shall not be excluded from public or private maps unless the council determines good cause for the exclusion.

(2) Any person who makes any unauthorized disclosure of such confidential information or data shall be guilty of a class A misdemeanor.

10. Such federal funds shall be deposited into a fund that is under the supervision of the Missouri office of broadband development.

2. Any provider in Missouri who defaults or otherwise fails to deploy broadband after receiving federal funds or any moneys from any other state for broadband services shall disclose such default or failure to deploy broadband services on any application to receive any state moneys in Missouri within seven days of such notice of default or failure to deploy broadband services. Any provider who has defaulted in this state or any other state shall be presumed incapable of fulfilling the provider's obligations to deploy broadband internet in Missouri. Such presumption shall be rebuttable.

Nothing in this definition shall prohibit terrestrial, middle-mile, or last-mile broadband or high-speed internet wiring or facilities installation under section 67.1847. Classification as "vertical real estate" shall not prevent any utility installation including, but not limited to, water, electric, or sewer services.

A representative may be reappointed to successive terms without limit.

(3) For the purpose of transacting business, the presence of representatives representing more than fifty percent of the political subdivisions that are part of the district shall constitute a quorum. (6) The board shall adopt bylaws for the regulation of its affairs and the conduct of its business.

5. Additional political subdivisions may join a broadband infrastructure improvement district. The board may offer admission to additional political subdivisions upon such terms and conditions as the board deems fair, reasonable, and in the best interests of the district. The governing body of any political subdivision that desires to be admitted to the district shall apply for admission to the board. The board shall determine the financial, economic, governance, and operational effects that are likely to occur if such political subdivision is admitted and thereafter offer or deny admission to the applicant political subdivision. If the board offers admission, it shall specify any terms and conditions, including financial obligations, upon which the admission is predicated. Upon resolution of the board, the applicant political subdivision shall join the district.

6. A political subdivision may withdraw from a district in the same manner as a political subdivision joining a district under subsection 5 of this section.

7. (1) The board may authorize admitting one or more private partners in the broadband improvement district upon such terms and conditions as the board, in the board's sole discretion, deems to be fair, reasonable, and in the best interests of the district. A private partner desiring admission to the district shall apply for admission to the board. For purposes of this subsection, "private partner" includes, but is not limited to, an electric cooperative or public utility providing services within the state.

(2) The board shall determine the financial, economic, governance, and operational effects that are likely to occur if a private partner is admitted and thereafter either grant or deny authority for admission of the petitioning private partner. If the board grants such authority, the board shall also specify any terms and conditions, including financial obligations, upon which such admission is predicated. Upon resolution of the board, such applicant private partner shall become a district member.

(3) The board and the private partner shall by agreement specify the ownership and other financial determinants of the private partner's participation in the district. Such determinations shall be considered to be within the public purposes of the district, absent a judicial determination that such public purposes do not exist.

(4) A private partner admitted to a district under this subsection may finance the installation or expansion of broadband internet service through grants, loans, bonds, user fees, or any other financing methods that do not negatively impact the cost of service provided to the district's residents, customers, or rate-payers.

8. The dissolution of a broadband infrastructure improvement district shall follow the procedures established under sections 67.950 and 67.955.

9. Nothing in this section shall be construed to prohibit or limit the ability of a municipality or other political subdivision to enter into a contract or cooperative agreement as authorized by section 70.220 or by other legal means."; and

Further amend said bill, Page 8, Section 442.404, Line 40, by inserting after all of said section and line the following:

"620.2450. 1. A grant program is hereby established under sections 620.2450 to 620.2458 to award grants to applicants who seek to expand access to **and improve the reliability of** broadband internet service in unserved and underserved areas of the state. The department of economic development shall administer and act as the fiscal agent for the grant program and shall be responsible for receiving and reviewing grant applications and awarding grants under sections 620.2450 to 620.2458. Funding for the grant program established under this section shall be subject to appropriation by the general assembly.

2. As used in sections 620.2450 to 620.2458, the following terms shall mean:

(1) **"Project", the acquisition and installation of retail broadband internet service in unserved and underserved areas of the state;**

(2) "Underserved area", a project area without access to wireline or fixed wireless broadband internet service of speeds of ~~[at least twenty-five]~~ **the higher of:**

(a) **One hundred** megabits per-second download and ~~[three]~~ **one hundred** megabits per-second upload; or

(b) **The minimum speed established by the Federal Communications Commission as authorized in 7 U.S.C. 950bb(e)(1) to (2);**

~~[(2)]~~ (3) "Unserved area", a project area without access to wireline or fixed wireless broadband internet service of speeds of at least ~~[ten]~~ **twenty-five** megabits per-second download and ~~[one megabit]~~ **three megabits** per-second upload.

620.2451. 1. Grants awarded under sections 620.2450 to 620.2458 shall fund the acquisition and installation of retail broadband internet service ~~[at]~~, **prioritizing projects providing** speeds of ~~[at least twenty-five]~~ **the higher of:**

(1) **One hundred** megabits per-second download and ~~[three]~~ **one hundred** megabits per-second upload~~[-but]~~ that is scalable to higher speeds; or

(2) **The minimum acceptable speed established by the Federal Communications Commission as authorized in 7 U.S.C. 950bb(e)(1) to (2). Any provider that is incapable of meeting the speed requirement under this subdivision shall be allowed to continue deploying broadband infrastructure at current speeds, provided that each provider quarterly updates the office of broadband development regarding the provider's maximum speed.**

2. The department shall maintain a record of all federal grants awarded to entities for the purposes of providing, maintaining, and expanding rural broadband in the state of Missouri. In cases in which funds have been awarded by a federal agency but later retained, withheld, or otherwise not distributed to the original grant recipient due to failure to meet performance standards or other criteria, the department shall seek to have the funds awarded to another eligible, qualified Missouri broadband provider.

3. The funds awarded by the department to an entity for the purposes of providing, maintaining, and expanding rural broadband in the state of Missouri shall require the entity to use the funds specifically for purposes set forth in the grant. If the entity uses the proceeds or funds for any other purposes or fails to comply with any requirement established by the department through the grant or funds awarded pursuant thereto, the entity shall return any remaining proceeds expended or the value of any incentives or services received by the entity to which a monetary value can be assigned, to be repaid to the department as required by the terms of the grant or contract.

620.2453. An eligible applicant shall submit an application to the department of economic development on a form prescribed by the department. An application for a grant under sections 620.2450 to 620.2458 shall include the following information:

(1) A description of the project area;

- (2) A description of the kind and amount of broadband internet infrastructure that is proposed to be deployed;
- (3) Evidence demonstrating the unserved or underserved nature of the project area;
- (4) The number of households that would have new access to broadband internet service, or whose broadband internet service would be upgraded, as a result of the grant;
- (5) A list of significant community institutions that would benefit from the proposed grant;
- (6) The total cost of the proposal and the ~~[timeframe]~~ **time frame** in which it will be completed;
- (7) A list identifying sources of funding or in-kind contributions, including government funding, that would supplement any awarded grant; ~~and~~
- (8) **A map or list of addresses showing the highest broadband speeds available within the applicant's area of service in the same manner in which the applicant is specified to provide data to the Federal Communications Commission under the Broadband Deployment Accuracy and Technological Availability Act, 47 U.S.C. Section 641 et seq. Such map or list of addresses shall be utilized by the department of economic development to determine the speeds available to individual addresses and eligibility for grant funding. Any map made publicly available as a result of maps provided by broadband providers under this subdivision shall be aggregated and anonymized to show the highest broadband speeds available; and**
- (9) Any other information required by the department of economic development.

620.2465. 1. The department shall implement a program to increase high-speed internet access in unserved and underserved areas. The department may use its discretion in choosing the method of the program, but the program shall provide high-speed internet access to as many residents who do not have high-speed internet access as quickly as practicable, with preference given to residents who have no internet access.

2. The department may promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after the effective date of this section shall be invalid and void.

620.2468. The state office of broadband development within the department of economic development shall have the authority to engage in site inspections of broadband providers that have received grants or loans for projects from the state office of broadband development. The authority to inspect shall last until the project is complete and operational.

Section 1. 1. There is hereby established in the Missouri department of economic development the "Office of Broadband Development", for the purpose of furthering the goal of connecting Missouri with high-speed internet, creating a long-term plan on broadband access and adoption, and helping to fulfill the statutory mission of the broadband development council. The director of the office of broadband shall be selected by, and report directly to, the director of the department of economic development and will provide support and coordination to the broadband development council.

2. The office shall be administered by the director of the office of broadband development. The department of economic development shall provide administrative support and staff as deemed necessary to assist the office of broadband development and to fulfill the statutory mission of the broadband development council."; and

Representative Black (137) offered **House Amendment No. 11**.

House Amendment No. 11

AMEND House Committee Substitute for Senate Bill No. 820, Page 8, Section 386.890, Line 198, by inserting after all of said section and line the following:

"393.135. **Except as provided in section 393.1250**, any charge made or demanded by an electrical corporation for service, or in connection therewith, which is based on the costs of construction **work** in progress, **as that term is defined in section 393.1250**, upon any existing or new ~~[facility of the]~~ electrical corporation **facility**, or any other cost associated with owning, operating, maintaining, or financing any **such** property before it is fully operational and used for service, ~~[is unjust and unreasonable, and]~~ is prohibited.

393.1250. 1. This section shall be known and may be cited as the "Missouri Nuclear Clean Power Act", the purpose of which is to enable the construction of clean baseload electric generating plants or facilities that utilize renewable sources to produce energy. This section shall not apply to clean baseload electric generating plants or renewable source generating facilities that are in commercial operation before August 28, 2022.

2. As used in this section, the following terms mean:

(1) "Clean baseload generating plant", a new nuclear-fueled electric generating facility located in this state that is designed to be operated at a capacity factor exceeding seventy percent annually and is intended in whole or in part to serve retail customers of an electrical corporation in Missouri;

(2) "Construction work in progress", the electrical corporation's share of all capital costs associated with a clean baseload generating plant or renewable source generating facility, which have been incurred but have not been included in the electrical corporation's plant in service, and are recorded in the Federal Energy Regulatory Commission's Uniform System of Accounts Prescribed for Public Utilities and Licensees Subject to the Provisions of the Federal Power Act, Balance Sheet Chart Accounts, as construction work in progress for electric plants in 18 CFR Part 101, or any other account established in the Uniform System of Accounts for the recording of construction work in progress;

(3) "Renewable source generating facility", any electric generating facility powered by wind, hydropower, solar power, landfill methane, biomass, or any other renewable source of power that does not produce significant carbon emissions.

3. The provisions of section 393.135 shall not apply to a clean baseload generating plant or a renewable source generating facility if the plant or facility is rated at two hundred megawatts or more. Costs recovered by an electrical corporation under the provisions of this section are subject to inclusion or exclusion from rates in a ratemaking proceeding pursuant to the commission's authority to determine just and reasonable rates. In addition, the commission may authorize an electrical corporation to make or demand charges for service based in whole or in part on additional amortizations to maintain the electrical corporation's financial ratios that will, in the commission's judgment, better enable the electrical corporation to cost-effectively construct a clean baseload generating plant or a renewable source generating facility.

4. The commission may promulgate rules to assist in the implementation of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void."; and

Representative Knight offered **House Amendment No. 12.**

House Amendment No. 12

AMEND House Committee Substitute for Senate Bill No. 820, Page 1, Section A, Line 3, by inserting after all of said section and line:

"44.032. 1. **(1) As used in this section, the term "rural electric cooperative" means any rural electric cooperative organized or operating under the provisions of chapter 394, any corporation organized on a nonprofit or a cooperative basis as described in subsection 1 of section 394.200, or any electrical corporation operating under a cooperative business plan as described in subsection 2 of section 393.110.**

(2) The general assembly recognizes the necessity for anticipating and making advance provisions to care for the unusual and extraordinary burdens imposed by disasters or emergencies on this state [and], its political subdivisions [by disasters or emergencies], and rural electric cooperatives. To meet such situations, it is the intention of the general assembly to confer emergency powers on the governor, acting through the director, and vesting the governor with adequate power and authority within the limitation of available funds in the Missouri disaster fund to meet any such emergency or disaster.

2. There is hereby established a fund to be known as the "Missouri Disaster Fund", to which the general assembly may appropriate funds and from which funds may be appropriated annually to the state emergency management agency. The funds appropriated shall be expended during a state emergency at the direction of the governor and upon the issuance of an emergency declaration which shall set forth the emergency and shall state that it requires the expenditure of public funds to furnish immediate aid and relief. The director of the state emergency management agency shall administer the fund.

3. Expenditures may be made upon direction of the governor for emergency management, as defined in section 44.010, or to implement the state disaster plans. Expenditures may also be made to meet the matching requirements of state and federal agencies for any applicable assistance programs.

4. Assistance may be provided from the Missouri disaster fund to political subdivisions of this state ~~[which]~~ **and rural electric cooperatives** that have suffered from a disaster to such an extent as to impose a severe financial burden exceeding the ordinary reserve capacity of the subdivision **or rural electric cooperative** affected. Applications for aid under this section shall be made to the state emergency management agency on such forms as may be prescribed and furnished by the agency, which forms shall require the furnishing of sufficient information to determine eligibility for aid and the extent of the financial burden incurred. The agency may call upon other agencies of the state in evaluating such applications. The director of the state emergency management agency shall review each application for aid under the provisions of this section and recommend its approval or disapproval, in whole or in part, to the governor. If approved, the governor shall determine and certify to the director of the state emergency management agency the amount of aid to be furnished. The director of the state emergency management agency shall thereupon issue ~~[his]~~ **the director's** voucher to the commissioner of administration, who shall issue ~~[his]~~ **the commissioner's** warrants therefor to the applicant.

5. When a disaster or emergency has been proclaimed by the governor or there is a national emergency, the director of the state emergency management agency, upon order of the governor, shall have authority to expend funds for the following:

(1) The purposes of sections 44.010 to 44.130 and the responsibilities of the governor and the state emergency management agency as outlined in sections 44.010 to 44.130;

(2) Employing, for the duration of the response and recovery to emergency, additional personnel and contracting or otherwise procuring necessary appliances, supplies, equipment, and transport;

(3) Performing services for and furnishing materials and supplies to state government agencies, counties, ~~and~~ municipalities, **and rural electric cooperatives** with respect to performance of any duties enjoined by law upon such agencies, counties, ~~and~~ municipalities, **and rural electric cooperatives** which they are unable to perform because of extreme natural or man-made phenomena, and receiving reimbursement in whole or in part from such agencies, counties, ~~and~~ municipalities, **and rural electric cooperatives** able to pay therefor under such terms and conditions as may be agreed upon by the director of the state emergency management agency and any such agency, county, ~~or~~ municipality, **or rural electric cooperative**;

(4) Performing services for and furnishing materials to any individual in connection with alleviating hardship and distress growing out of extreme natural or man-made phenomena, and receiving reimbursement in whole or in part from such individual under such terms as may be agreed upon by the director of the state emergency management agency and such individual;

(5) Providing services to counties and municipalities with respect to quelling riots and civil disturbances;

(6) Repairing and restoring public infrastructure;

(7) Furnishing transportation for supplies to alleviate suffering and distress;

(8) Furnishing medical services and supplies to prevent the spread of disease and epidemics;

(9) Quelling riots and civil disturbances;

(10) Training individuals or governmental agencies for the purpose of perfecting the performance of emergency assistance duties as defined in the state disaster plans;

(11) Procurement, storage, and transport of special emergency supplies or equipment determined by the director to be necessary to provide rapid response by state government to assist counties and municipalities in impending or actual emergencies;

(12) Clearing or removing from publicly or privately owned land or water, debris and wreckage which may threaten public health or safety;

(13) Reimbursement to any urban search and rescue task force for any reasonable and necessary expenditures incurred in the course of responding to any declared emergency under this section; and

(14) Such other measures as are customarily necessary to furnish adequate relief in cases of catastrophe or disaster.

6. The governor may receive such voluntary contributions as may be made from any source to aid in carrying out the purposes of this section and shall credit the same to the Missouri disaster fund.

7. All obligations and expenses incurred by the governor in the exercise of the powers and duties vested by the provisions of this section shall be paid by the state treasurer out of available funds in the Missouri disaster fund, and the commissioner of administration shall draw warrants upon the state treasurer for the payment of such sum, or so much thereof as may be required, upon receipt of proper vouchers provided by the director of the state emergency management agency.

8. The provisions of this section shall be liberally construed in order to accomplish the purposes of sections 44.010 to 44.130 and to permit the governor to cope adequately with any emergency which may arise, and the powers vested in the governor by this section shall be construed as being in addition to all other powers presently vested in the governor and not in derogation of any existing powers.

9. Such funds as may be made available by the government of the United States for the purpose of alleviating distress from disasters may be accepted by the state treasurer and shall be credited to the Missouri disaster fund, unless otherwise specifically provided in the act of Congress making such funds available.

10. The foregoing provisions of this section notwithstanding, any expenditure or proposed series of expenditures which total in excess of one thousand dollars per project shall be approved by the governor prior to the expenditure."; and

JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

SIXTY-FIRST DAY, THURSDAY, APRIL 28, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

It is for you now to demonstrate the goodness of Him who has called you out of darkness into His wonderful light.
(1 Peter 2:9)

Ancient God, whose strength sustains us in our weakness and whose hand upholds us when we would give way to discouragement, grant us who wait before You confidence that in the face of trouble we may believe in the triumph of truth, in spite of our shortcomings we may have faith in Your forgiving love, and in moments when moral choices must be made, we may walk the narrow way of integrity of mind and heart and be loyal to the goodness within ourselves.

Make us creative enough that our actions will not burden the generations to come; make us courageous enough that we may vote for what we honestly believe though the cost may be great; and make us open enough that we may not squander the generosity of our people and open enough that we may have an active concern for the welfare of all.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Grace Wilson and Norah Wilson.

The Journal of the sixtieth day was approved as printed.

JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

FIFTY-FIFTH DAY, Tuesday, April 19, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Representative Travis Smith.

Oh God,

We thank You for this gathering of men and women today who seek to help those they serve. We ask that You would stretch out Your hand and have mercy upon us as elected officials, staff and all civil authorities. Help us keep our goals simple, birthing ideas or laws that will help keep our country safe, protect the weak, heal the broken, and encourage every person to their full potential. Give every leader a strong sense of their destiny, and remind them of their accountability not only to the ones they serve but always to You, Lord. Open our eyes to Your perspective for decision-making. May Your word become the truth and guide for all decisions, and may we look to You for the last word.

Please bless the Armed Forces and keep them safe. Let them know their bravery and honor is appreciated and our freedom cherished. Give courage and redemption to all who live and work in the state of Missouri and these great United States. Bless them, Lord, and keep them safe. Grant them hope and grant them peace. The grace which we embrace, despite the pain and sorrow, is always a measure of all that has gone on before. Let us choose to live in joy.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Cole Joseph Marks, Elijah Brett Robinson, Tara Marks, Andrew Schmidt, Connor Parrish, and Jenna Rhodes.

MESSAGES FROM THE GOVERNOR

The following proclamation was received from His Excellency, Governor Michael L. Parson.

GOVERNOR'S PROCLAMATION

WHEREAS, Article IV, Section 27, authorizes the Governor to control the rate at which any appropriation is expended by allotment and, further, authorizes the Governor to reduce the expenditures of the state or any of its agencies below their appropriations whenever the actual revenues are less than the revenue estimates upon which the appropriations were based; and

WHEREAS, in addition to the power to control the rate of expenditure established in Article IV, Section 27, three percent of each appropriation, with the exception of amounts for personal service to pay salaries fixed by law, shall be set aside pursuant to section 33.290, RSMo, as a reserve fund and not subject to expenditure except with the approval of the Governor; and

WHEREAS, Article IV, Section 27.2, provides that the Governor notify the General Assembly “whenever the rate at which any appropriation shall be expended is not equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation”; and

WHEREAS, due to a variety of factors, including the three percent reserve that is legally required by section 33.290, RSMo, the rate at which most appropriations are expended is not in “equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation”; and

WHEREAS, Article IV, Section 27.3, provides that the Governor notify the General Assembly “when the governor reduces one or more items or portions of items of appropriation of money as a result of actual revenues being less than the revenue estimates upon which the appropriations were based.”

NOW THEREFORE, I, Michael L. Parson, GOVERNOR OF THE STATE OF MISSOURI, pursuant to Article IV, Section 27, do hereby make the following notification to the One Hundred First General Assembly of the State of Missouri:

I hereby notify the General Assembly, pursuant to Article IV, Section 27.2 of the Missouri Constitution, that through the third quarter of fiscal year 2022, the rate of expenditure for each of the appropriation lines in the fiscal year 2022 budget attached as Exhibit A is not in equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation.

I further notify the General Assembly, pursuant to Article IV, Section 27.3 of the Missouri Constitution, that I have taken no action to permanently reduce one or more items or portions of items of appropriation of money as a result of actual revenues being less than the revenue estimates upon which the appropriations were based in the fiscal year 2022 budget.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Missouri, in the City of Jefferson, this 14 day of April, 2022.

/s/ Michael L. Parson

JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

FIFTY-SIXTH DAY, WEDNESDAY, APRIL 20, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Unto Thee, O Lord, do I lift up my soul. (Psalm 25:1)

O God, our guide, to whom we belong and with whom we live, we come to You in this our morning prayer seeking a fresh consciousness of the reality of Your presence. Help us to know that You are with us and that You are always with us, seeking to guide us along the ways of righteousness, justice, and peace. If some of us have been disturbed by doubt, hurt by hate, or maligned by malice until life has been drained of its worth, restore to us such a vision of You and of the truth about life that we may believe triumphantly once again.

For our Missouri we pray that it may not miss the true and right path amid political confusion. Bless all efforts to create and maintain an ordered and peaceful human family on this planet. Particularly bless the effort now put forth to bring peace in the Ukraine. We pray for our governor, our speaker, the members of this House of Representatives, and the media. In all truth and in all good, You will steady their faith that life for them may not be a burden but a joy!

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Patricia Reinwald, Robert Vescovo, Nicholas Vescovo, Peter Vescovo, William Vescovo, and Jillian Vescovo.

The Journal of the fifty-fifth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

FIFTY-SEVENTH DAY, THURSDAY, APRIL 21, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

All the paths of the Lord are mercy and truth unto such as keep His covenant and His testimonies. (Psalm 25:10)

O Eternal God, who is the creator and the sustainer of life, without whose blessings all our work is in vain, we pray that our lives and the life of our state may be built upon the rock of eternal truth and everlasting love, so we would dedicate ourselves again to You in body, in mind, and in spirit. Satisfy us with nothing but the best in our thoughts and life, and keep us restless until we find our rest in You.

We thank You for our wonderful state, for our glorious heritage, for this challenging hour, and for the faith with which we greet this coming day. Lay Your hand upon all our leaders and all our people. Teach us to look unto You as the fountain of all wisdom and the source of all strength. May Your mighty spirit, through us and our people, translate our noble principles into living practices and our good words into good works.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-sixth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

FIFTY-FIRST DAY, MONDAY, APRIL 11, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Representative Jered Taylor.

Lord, we come before You recognizing the importance of pausing our busy lives to ask for Your will in our lives, and we ask for wisdom in our decisions. As we prepare to start our week, we ask that You guide our decisions and use us as vessels to speak truth in a dark world.

As many churches gathered yesterday to celebrate Palm Sunday and the beginning of Holy Week, let us remember the promise and love You showed during Passover. Let us remember, as we walk through this week, the love You showed Your people. Help us to show love in the same manner. As Micah 6:8 instructs us to do, "Let us love mercy and Let us walk humbly with God." As we prepare for Good Friday and Easter Sunday, may we begin to prepare our hearts to better understand how to serve people as Christ served us, by laying His life down to die on a cross as a sacrifice to save us from our sins, so that we may spend eternity with You.

We thank You and praise Your name, and the House says, "Amen."

The Pledge of Allegiance to the flag was recited.

The Journal of the fiftieth day was approved as printed by the following vote:

198.022. 1. Upon receipt of an application for a license to operate a facility, the department shall review the application, investigate the applicant and the statements sworn to in the application for license and conduct any necessary inspections. A license shall be issued if the following requirements are met:

(1) The statements in the application are true and correct;

(2) The facility and the operator are in substantial compliance with the provisions of sections 198.003 to 198.096 and the standards established thereunder;

2. Upon denial of any application for a license, the department shall so notify the applicant in writing, setting forth therein the reasons and grounds for denial.

3. The department may inspect any facility and any records and may make copies of records, at the facility, at the department's own expense, required to be maintained by sections 198.003 to 198.096 or by the rules and regulations promulgated thereunder at any time if a license has been issued to or an application for a license has been filed by the operator of such facility. Copies of any records requested by the department shall be prepared by the staff of such facility within two business days or as determined by the department. The department shall not remove or disassemble any medical record during any inspection of the facility, but may observe the photocopying or may make its own copies if the facility does not have the technology to make the copies. In accordance with the provisions of section 198.525, the department shall make at least ~~two inspections~~ **one inspection** per year, ~~[at least one of]~~ which shall be unannounced to the operator. The department may make such other inspections, announced or unannounced, as it deems necessary to carry out the provisions of sections 198.003 to 198.136.

4. Whenever the department has reasonable grounds to believe that a facility required to be licensed under sections 198.003 to 198.096 is operating without a license, and the department is not permitted access to inspect the facility, or when a licensed operator refuses to permit access to the department to inspect the facility, the department shall apply to the circuit court of the county in which the premises is located for an order authorizing entry for such inspection, and the court shall issue the order if it finds reasonable grounds for inspection or if it finds that a licensed operator has refused to permit the department access to inspect the facility.

5. Whenever the department is inspecting a facility in response to an application from an operator located outside of Missouri not previously licensed by the department, the department may request from the applicant the past five years compliance history of all facilities owned by the applicant located outside of this state.

198.026. 1. Whenever a duly authorized representative of the department finds upon an inspection of a facility that it is not in compliance with the provisions of sections 198.003 to 198.096 and the standards established thereunder, the operator or administrator shall be informed of the deficiencies in an exit interview conducted with the operator or administrator, or his or her designee. The department shall inform the operator or administrator, in writing, of any violation of a class I standard at the time the determination is made. A written report shall be prepared of any deficiency for which there has not been prompt remedial action, and a copy of such report and a written correction order shall be sent to the operator or administrator by ~~[certified mail or other]~~ a delivery service that provides a dated receipt of delivery ~~[at the facility address]~~ within ten working days after the inspection, stating separately each deficiency and the specific statute or regulation violated.

2. The operator or administrator shall have five working days following receipt of a written report and correction order regarding a violation of a class I standard and ten working days following receipt of the report and correction order regarding violations of class II or class III standards to request any conference and to submit a plan of correction for the department's approval which contains specific dates for achieving compliance. Within five working days after receiving a plan of correction regarding a violation of a class I standard and within ten working days after receiving a plan of correction regarding a violation of a class II or III standard, the department shall give its written approval or rejection of the plan. If there was a violation of any class I standard, immediate corrective action shall be taken by the operator or administrator and a written plan of correction shall be submitted to the department. The department shall give its written approval or rejection of the plan and if the plan is acceptable, a reinspection shall be conducted within twenty calendar days of the exit interview to determine if deficiencies have been corrected. If there was a violation of any class II standard and the plan of correction is acceptable, an unannounced reinspection shall be conducted between forty and ninety calendar days from the date of the exit conference to determine the status of all previously cited deficiencies. If there was a violation of class III standards sufficient to establish that the facility was not in substantial compliance, an unannounced reinspection shall be conducted within one hundred twenty days of the exit interview to determine the status of previously identified deficiencies.

3. If, following the reinspection, the facility is found not in substantial compliance with sections 198.003 to 198.096 and the standards established thereunder or the operator is not correcting the noncompliance in accordance with the approved plan of correction, the department shall issue a notice of noncompliance, which shall be sent by ~~[certified mail or other]~~ a delivery service that provides a dated receipt of delivery to ~~[each person disclosed to be an owner or]~~ the operator or administrator of the facility, according to the most recent information or documents on file with the department.

4. The notice of noncompliance shall inform the operator or administrator that the department may seek the imposition of any of the sanctions and remedies provided for in section 198.067, or any other action authorized by law.

5. At any time after an inspection is conducted, the operator may choose to enter into a consent agreement with the department to obtain a probationary license. The consent agreement shall include a provision that the operator will voluntarily surrender the license if substantial compliance is not reached in accordance with the terms and deadlines established under the agreement. The agreement shall specify the stages, actions and time span to achieve substantial compliance.

6. Whenever a notice of noncompliance has been issued, the operator shall post a copy of the notice of noncompliance and a copy of the most recent inspection report in a conspicuous location in the facility, and the department shall send a copy of the notice of noncompliance to the department of social services, the department of mental health, and any other concerned federal, state or local governmental agencies.

198.036. 1. The department may revoke a license in any case in which it finds that:

(1) The operator failed or refused to comply with class I or II standards, as established by the department pursuant to section 198.085; or failed or refused to comply with class III standards as established by the department pursuant to section 198.085, where the aggregate effect of such noncompliances presents either an imminent danger to the health, safety or welfare of any resident or a substantial probability that death or serious physical harm would result;

(2) The operator refused to allow representatives of the department to inspect the facility for compliance with standards or denied representatives of the department access to residents and employees necessary to carry out the duties set forth in this chapter and rules promulgated thereunder, except where employees of the facility are in the process of rendering immediate care to a resident of such facility;

(3) The operator knowingly acted or knowingly omitted any duty in a manner which would materially and adversely affect the health, safety, welfare or property of a resident;

(4) The operator demonstrated financial incapacity to operate and conduct the facility in accordance with the provisions of sections 198.003 to 198.096;

(5) The operator or any principals in the operation of the facility have ever been convicted of, or pled guilty or nolo contendere to a felony offense concerning the operation of a long-term health care facility or other health care facility, or ever knowingly acted or knowingly failed to perform any duty which materially and adversely affected the health, safety, welfare, or property of a resident while acting in a management capacity. The operator of the facility or any principal in the operation of the facility shall not be under exclusion from participation in the Title XVIII (Medicare) or Title XIX (Medicaid) program of any state or territory; or

(6) The operator or any principals involved in the operation of the facility have ever been convicted of or pled guilty or nolo contendere to a felony in any state or federal court arising out of conduct involving either management of a long-term care facility or the provision or receipt of health care.

2. Nothing in subdivision (2) of subsection 1 of this section shall be construed as allowing the department access to information not necessary to carry out the duties set forth in sections 198.006 to 198.186.

3. Upon revocation of a license, the director of the department shall so notify the operator in writing, setting forth the reason and grounds for the revocation. Notice of such revocation shall be sent ~~either by certified mail, return receipt requested,~~ **by a delivery service that provides a dated receipt of delivery** to the operator ~~at the address of the facility~~ **and administrator**, or served personally upon the operator **and administrator**. The department shall provide the operator notice of such revocation at least ten days prior to its effective date.

198.525. 1. ~~[Except as otherwise provided pursuant to section 198.526,]~~ In order to comply with sections 198.012 and 198.022, the department of health and senior services shall inspect residential care facilities, assisted living facilities, intermediate care facilities, and skilled nursing **facilities**, including those facilities attached to acute care hospitals at least ~~twice~~ **once** a year.

2. The department shall not assign an individual to inspect or survey a long-term care facility licensed under this chapter, for any purpose, in which the inspector or surveyor was an employee of such facility within the preceding two years.

3. For any inspection or survey of a facility licensed under this chapter, regardless of the purpose, the department shall require every newly hired inspector or surveyor at the time of hiring or, with respect to any currently employed inspector or surveyor as of August 28, 2009, to disclose:

(1) The name of every Missouri licensed long-term care facility in which he or she has been employed; and

(2) The name of any member of his or her immediate family who has been employed or is currently employed at a Missouri licensed long-term care facility.

The disclosures under this subsection shall be disclosed to the department whenever the event giving rise to disclosure first occurs.

4. For purposes of this section, the phrase "immediate family member" shall mean husband, wife, natural or adoptive parent, child, sibling, stepparent, stepchild, stepbrother, stepsister, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, grandparent or grandchild.

5. The information called for in this section shall be a public record under the provisions of subdivision (6) of section 610.010.

6. Any person may notify the department if facts exist that would lead a reasonable person to conclude that any inspector or surveyor has any personal or business affiliation that would result in a conflict of interest in conducting an inspection or survey for a facility. Upon receiving that notice, the department, when assigning an inspector or surveyor to inspect or survey a facility, for any purpose, shall take steps to verify the information and, if

the department has probable cause to believe that it is correct, shall not assign the inspector or surveyor to the facility or any facility within its organization so as to avoid an appearance of prejudice or favor to the facility or bias on the part of the inspector or surveyor.

198.526. 1. ~~[Except as provided in subsection 3 of this section,]~~ The department of health and senior services shall inspect all facilities licensed by the department at least ~~[twice]~~ **once** each year. Such inspections shall be conducted:

- (1) Without the prior notification of the facility; and
- (2) At times of the day, on dates and at intervals which do not permit facilities to anticipate such inspections.

2. The department shall annually reevaluate the inspection process to ensure the requirements of subsection 1 of this section are met.

3. ~~[The department may reduce the frequency of inspections to once a year if a facility is found to be in substantial compliance. The basis for such determination shall include, but not be limited to, the following:~~

- ~~(1) Previous inspection reports;~~
- ~~(2) The facility's history of compliance with rules promulgated pursuant to this chapter;~~
- ~~(3) The number and severity of complaints received about the facility; and~~
- ~~(4) In the year subsequent to a finding of no class I violations or class II violations, the facility does not have a change in ownership, operator, or, if the department finds it significant, a change in director of nursing.~~

4.] Information regarding unannounced inspections shall be disclosed to employees of the department on a need-to-know basis only. Any employee of the department who knowingly discloses the time of an unannounced inspection in violation of this section is guilty of a class A misdemeanor and shall have his or her employment immediately terminated.

198.545. 1. This section shall be known and may be cited as the "Missouri Informal Dispute Resolution Act".

2. As used in this section, the following terms shall mean:

- (2) "Department", the department of health and senior services;
- (3) "Facility", a long-term care facility licensed under this chapter;
- (4) "IDR", informal dispute resolution as provided for in this section;
- (5) "Independent third party", the federally designated Medicare Quality Improvement Organization in this state;
- (6) "Plan of correction", a facility's response to deficiencies which explains how corrective action will be accomplished, how the facility will identify other residents who may be affected by the deficiency practice, what measures will be used or systemic changes made to ensure that the deficient practice will not reoccur, and how the facility will monitor to ensure that solutions are sustained;
- (7) "QIO", the federally designated Medicare Quality Improvement Organization in this state.

3. The department of health and senior services shall contract with an independent third party to conduct informal dispute resolution (IDR) for facilities licensed under this chapter. The IDR process, including conferences, shall constitute an informal administrative process and shall not be construed to be a formal evidentiary hearing. Use of IDR under this section shall not waive the facility's right to pursue further or additional legal actions.

4. The department shall establish an IDR process to determine whether a cited deficiency as evidenced by a statement of deficiencies against a facility shall be upheld. The department shall promulgate rules to incorporate by reference the provisions of 42 CFR 488.331 regarding the IDR process and to include the following minimum requirements for the IDR process:

- (1) Within ten working days of the end of the survey, the department shall by ~~[certified mail]~~ **a delivery service that provides dated receipt of delivery** transmit to the facility a statement of deficiencies committed by the facility. Notification of the availability of an IDR and IDR process shall be included in the transmittal;
- (2) Within ten ~~[calendar]~~ **working** days of receipt of the statement of deficiencies, the facility shall return a plan of correction to the department. Within such ten-day period, the facility may request in writing an IDR conference to refute the deficiencies cited in the statement of deficiencies;
- (3) Within ten working days of receipt **of a request** for an IDR conference made by a facility, the QIO shall hold an IDR conference unless otherwise requested by the facility. The IDR conference shall provide the facility with an opportunity to provide additional information or clarification in support of the facility's contention that the deficiencies were erroneously cited. The facility may be accompanied by counsel during the IDR conference. The type of IDR held shall be at the discretion of the facility, but shall be limited to:

- (a) A desk review of written information submitted by the facility; or
- (b) A telephonic conference; or
- (c) A face-to-face conference held at the headquarters of the QIO or at the facility at the request of the facility.

If the QIO determines the need for additional information, clarification, or discussion after conclusion of the IDR conference, the department and the facility shall be present.

5. Within ten days of the IDR conference described in subsection 4 of this section, the QIO shall make a determination, based upon the facts and findings presented, and shall transmit the decision and rationale for the outcome in writing to the facility and the department.

6. If the department disagrees with such determination, the department shall transmit the department's decision and rationale for the reversal of the QIO's decision to the facility within ten calendar days of receiving the QIO's decision.

7. If the QIO determines that the original statement of deficiencies should be changed as a result of the IDR conference, the department shall transmit a revised statement of deficiencies to the facility with the notification of the determination within ten calendar days of the decision to change the statement of deficiencies.

8. Within ten calendar days of receipt of the determination made by the QIO and the revised statement of deficiencies, the facility shall submit a plan of correction to the department.

9. The department shall not post on its website or enter into the Centers for Medicare & Medicaid Services Online Survey, Certification and Reporting System, or report to any other agency, any information about the deficiencies which are in dispute unless the dispute determination is made and the facility has responded with a revised plan of correction, if needed.

10. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void."; and

The period of denial shall be one year from the effective date of the denial notice sent by the director. The denial shall become effective ten days after the date the denial notice is mailed to the person. The notice shall be mailed to the person at the last known address shown on the person's driving record. No person shall engage in the practice of pharmacy unless he or she is licensed under the provisions of this chapter. This chapter shall not be construed to prohibit the use of auxiliary personnel under the direct supervision of a pharmacist from assisting the pharmacist in any of his or her duties. This assistance in no way is intended to relieve the pharmacist from his or her responsibilities for compliance with this chapter and he or she will be responsible for the actions of the auxiliary personnel acting in his or her assistance. This chapter shall also not be construed to prohibit or interfere with any legally registered practitioner of medicine, dentistry, or podiatry, or veterinary medicine only for use in animals, or the practice of optometry in accordance with and as provided in sections 195.070 and 336.220 in the compounding, administering, prescribing, or dispensing of his or her own prescriptions.

2. ~~[Any pharmacist who accepts a prescription order for a medication therapeutic plan shall have a written protocol from the physician who refers the patient for medication therapy services.]~~ **A pharmacist with a certificate of medication therapeutic plan authority may provide medication therapy services pursuant to a statewide standing order issued by the department of health and senior services or pursuant to a written protocol with a physician licensed under chapter 334.** The written protocol ~~[and the prescription order for a medication therapeutic plan]~~ **authorized by this section** shall come **only** from the physician ~~[only]~~ **or similar body authorized by this section**, and shall not come from a nurse engaged in a collaborative practice arrangement under section 334.104, or from a physician assistant engaged in a collaborative practice arrangement under section 334.735.

3. Nothing in this section shall be construed as to prevent any person, firm or corporation from owning a pharmacy regulated by sections 338.210 to 338.315, provided that a licensed pharmacist is in charge of such pharmacy.

4. Nothing in this section shall be construed to apply to or interfere with the sale of nonprescription drugs and the ordinary household remedies and such drugs or medicines as are normally sold by those engaged in the sale of general merchandise.

8. Medication dispensed by a hospital to a hospital patient for use or administration outside of the hospital shall be labeled as provided by rules jointly promulgated by the department of health and senior services and the board including medication distributed for administration by or under the supervision of a health care practitioner at a hospital clinic or facility.

9. This section shall not be construed to preempt any law or rule governing controlled substances.

10. Any rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall only become effective if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. No person shall engage in the practice of pharmacy unless he or she is licensed under the provisions of this chapter. This chapter shall not be construed to prohibit the use of auxiliary personnel under the direct supervision of a pharmacist from assisting the pharmacist in any of his or her duties. This assistance in no way is intended to relieve the pharmacist from his or her responsibilities for compliance with this chapter and he or she will be responsible for the actions of the auxiliary personnel acting in his or her assistance. This chapter shall also not be construed to prohibit or interfere with any legally registered practitioner of medicine, dentistry, or podiatry, or veterinary medicine only for use in animals, or the practice of optometry in accordance with and as provided in sections 195.070 and 336.220 in the compounding, administering, prescribing, or dispensing of his or her own prescriptions.

2. Any pharmacist who accepts a prescription order for a medication therapeutic plan shall have a written protocol from the physician who refers the patient for medication therapy services. The written protocol and the prescription order for a medication therapeutic plan shall come from the physician only, and shall not come from a nurse engaged in a collaborative practice arrangement under section 334.104, or from a physician assistant engaged in a collaborative practice arrangement under section 334.735.

3. Nothing in this section shall be construed as to prevent any person, firm or corporation from owning a pharmacy regulated by sections 338.210 to 338.315, provided that a licensed pharmacist is in charge of such pharmacy.

The state board of registration for the healing arts, under section 334.125, and the state board of pharmacy, under section 338.140, shall jointly promulgate rules regulating the use of protocols for prescription orders for medication therapy services and administration of viral influenza vaccines. Such rules shall require protocols to include provisions allowing for timely communication between the pharmacist and the referring physician, and any other patient protection provisions deemed appropriate by both boards. In order to take effect, such rules shall be approved by a majority vote of a quorum of each board. Neither board shall separately promulgate rules regulating the use of protocols for prescription orders for medication therapy services and administration of viral influenza vaccines. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be invalid and void.

8. The state board of pharmacy may grant a certificate of medication therapeutic plan authority to a licensed pharmacist who submits proof of successful completion of a board-approved course of academic clinical study beyond a bachelor of science in pharmacy, including but not limited to clinical assessment skills, from a nationally accredited college or university, or a certification of equivalence issued by a nationally recognized professional organization and approved by the board of pharmacy.

Any pharmacist who has received a certificate of medication therapeutic plan authority may engage in the designing, initiating, implementing, and monitoring of a medication therapeutic plan as defined by a prescription order from a physician that is specific to each patient for care by a pharmacist.

10. Nothing in this section shall be construed to allow a pharmacist to make a therapeutic substitution of a pharmaceutical prescribed by a physician unless authorized by the written protocol or the physician's prescription order.

(1) A pharmacist shall administer vaccines by protocol in accordance with treatment guidelines established by the Centers for Disease Control and Prevention (CDC);

(2) A pharmacist who is administering a vaccine shall request a patient to remain in the pharmacy a safe amount of time after administering the vaccine to observe any adverse reactions. Such pharmacist shall have adopted emergency treatment protocols;

The patient shall attest to the inclusion of such information in the system by signing a form provided by the pharmacist. (1) **Is not an opioid or a controlled substance that is prohibited from being dispensed without a prescription under the Federal Food, Drug, and Cosmetic Act, 21 U.S.C. Section 301 et seq., as amended; and**

(2) **Is prescribed to a patient to take on a recurring basis or is used as a lifesaving rescue drug for a chronic condition.**

2. Notwithstanding any other provision of law, a pharmacist may dispense an emergency supply of a chronic maintenance drug to a patient without a current, valid prescription if:

(1) **The pharmacist makes every reasonable attempt but is unable to obtain authorization to refill the prescription from the prescribing health care provider or another health care provider responsible for the patient's care;**

(2) **Either:**

(a) **The pharmacist has a record of a prescription at the pharmacy or has been presented proof of a recent prescription for the chronic maintenance drug in the name of the patient who is requesting the emergency supply; or**

(b) **In the pharmacist's professional judgment, the refusal to dispense an emergency supply of the chronic maintenance drug will endanger the patient's health or disrupt essential drug therapy for a chronic condition of the patient;**

(3) **The amount of the chronic maintenance drug dispensed does not exceed the amount of the most recent prescription or the standard quantity or unit-of-use package of the drug;**

(4) **The pharmacist has not dispensed an emergency supply of the chronic maintenance drug to the same patient in the previous twelve-month period; and**

(5) **The prescriber of the drug has not indicated that no emergency refills are authorized.**

3. A pharmacist, the pharmacist's employer, and the original prescriber of the drug are not civilly liable for an act or omission in connection with the dispensing of a chronic maintenance drug under this section unless the act or omission constitutes negligence, recklessness, or willful or wanton misconduct.

4. The board of pharmacy shall adopt rules, in consultation with the state board of registration for the healing arts and the state board of nursing, to establish standard procedures for pharmacists to follow in dispensing chronic maintenance drugs under this section. The rules adopted shall include documentation requirements for a pharmacist to complete when dispensing a chronic maintenance drug without a current prescription. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the

effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void."; and"; and

334.104. 1. A physician may enter into collaborative practice arrangements with registered professional nurses. Collaborative practice arrangements shall be in the form of written agreements, jointly agreed-upon protocols, or standing orders for the delivery of health care services. 2. Collaborative practice arrangements, which shall be in writing, may delegate to a registered professional nurse the authority to administer, dispense or prescribe drugs and provide treatment if the registered professional nurse is an advanced practice registered nurse as defined in subdivision (2) of section 335.016. Collaborative practice arrangements may delegate to an advanced practice registered nurse, as defined in section 335.016, the authority to administer, dispense, or prescribe controlled substances listed in Schedules III, IV, and V of section 195.017, and Schedule II - hydrocodone; except that, the collaborative practice arrangement shall not delegate the authority to administer any controlled substances listed in Schedules III, IV, and V of section 195.017, or Schedule II - hydrocodone for the purpose of inducing sedation or general anesthesia for therapeutic, diagnostic, or surgical procedures. Schedule III narcotic controlled substance and Schedule II - hydrocodone prescriptions shall be limited to a one hundred twenty-hour supply without refill. Such collaborative practice arrangements shall be in the form of written agreements, jointly agreed-upon protocols or standing orders for the delivery of health care services. An advanced practice registered nurse may prescribe buprenorphine for up to a thirty-day supply without refill for patients receiving medication-assisted treatment for substance use disorders under the direction of the collaborating physician.

3. The written collaborative practice arrangement shall contain at least the following provisions:

(1) Complete names, home and business addresses, zip codes, and telephone numbers of the collaborating physician and the advanced practice registered nurse;

(2) A list of all other offices or locations besides those listed in subdivision (1) of this subsection where the collaborating physician authorized the advanced practice registered nurse to prescribe;

(4) All specialty or board certifications of the collaborating physician and all certifications of the advanced practice registered nurse;

(5) The manner of collaboration between the collaborating physician and the advanced practice registered nurse, including how the collaborating physician and the advanced practice registered nurse will:

(b) ~~Maintain geographic proximity, except the collaborative practice arrangement may allow for geographic proximity to be waived for a maximum of twenty eight days per calendar year for rural health clinics as defined by P.L. 95-210, as long as the collaborative practice arrangement includes alternative plans as required in paragraph (c) of this subdivision. This exception to geographic proximity shall apply only to independent rural health clinics, provider based rural health clinics where the provider is a critical access hospital as provided in 42 U.S.C. Section 1395i-4, and provider based rural health clinics where the main location of the hospital sponsor is greater than fifty miles from the clinic. (10) The collaborating physician, or any other physician designated in the collaborative practice arrangement, shall review every fourteen days a minimum of twenty percent of the charts in which the advanced practice registered nurse prescribes controlled substances. The charts reviewed under this subdivision may be counted in the number of charts required to be reviewed under subdivision (9) of this subsection.

4. The state board of registration for the healing arts pursuant to section 334.125 and the board of nursing pursuant to section 335.036 may jointly promulgate rules regulating the use of collaborative practice arrangements. Such rules shall be limited to ~~[specifying geographic areas to be covered,]~~ the methods of treatment that may be covered by collaborative practice arrangements and the requirements for review of services provided pursuant to collaborative practice arrangements including delegating authority to prescribe controlled substances. Any rules relating to dispensing or distribution of medications or devices by prescription or prescription drug orders under this section shall be subject to the approval of the state board of pharmacy. Any rules relating to dispensing or distribution of controlled substances by prescription or prescription drug orders under this section shall be subject to the approval of the department of health and senior services and the state board of pharmacy. In order to take effect, such rules shall be approved by a majority vote of a quorum of each board. Neither the state board of registration for the healing arts nor the board of nursing may separately promulgate rules relating to collaborative practice arrangements. Such jointly promulgated rules shall be consistent with guidelines for federally funded clinics. The rulemaking authority granted in this subsection shall not extend to collaborative practice arrangements of hospital employees providing inpatient care within hospitals as defined pursuant to chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

5. The state board of registration for the healing arts shall not deny, revoke, suspend or otherwise take disciplinary action against a physician for health care services delegated to a registered professional nurse provided the provisions of this section and the rules promulgated thereunder are satisfied. Upon the written request of a physician subject to a disciplinary action imposed as a result of an agreement between a physician and a registered professional nurse or registered physician assistant, whether written or not, prior to August 28, 1993, all records of such disciplinary licensure action and all records pertaining to the filing, investigation or review of an alleged violation of this chapter incurred as a result of such an agreement shall be removed from the records of the state board of registration for the healing arts and the division of professional registration and shall not be disclosed to any public or private entity seeking such information from the board or the division. The state board of registration for the healing arts shall take action to correct reports of alleged violations and disciplinary actions as described in this section which have been submitted to the National Practitioner Data Bank. In subsequent applications or representations relating to his **or her** medical practice, a physician completing forms or documents shall not be required to report any actions of the state board of registration for the healing arts for which the records are subject to removal under this section.

6. Within thirty days of any change and on each renewal, the state board of registration for the healing arts shall require every physician to identify whether the physician is engaged in any collaborative practice agreement, including collaborative practice agreements delegating the authority to prescribe controlled substances, or physician assistant agreement and also report to the board the name of each licensed professional with whom the physician has entered into such agreement. The board may make this information available to the public. The board shall track the reported information and may routinely conduct random reviews of such agreements to ensure that agreements are carried out for compliance under this chapter.

7. Notwithstanding any law to the contrary, a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 shall be permitted to provide anesthesia services without a collaborative practice arrangement provided that he or she is under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed. Nothing in this subsection shall be construed to prohibit or prevent a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 from entering into a collaborative practice arrangement under this section, except that the collaborative practice arrangement may not delegate the authority to prescribe any controlled substances listed in Schedules III, IV, and V of section 195.017, or Schedule II - hydrocodone.

8. A collaborating physician shall not enter into a collaborative practice arrangement with more than six full-time equivalent advanced practice registered nurses, full-time equivalent licensed physician assistants, or full-time equivalent assistant physicians, or any combination thereof. This limitation shall not apply to collaborative arrangements of hospital employees providing inpatient care service in hospitals as defined in chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008, or to a certified registered nurse anesthetist providing anesthesia services under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed as set out in subsection 7 of this section.

9. It is the responsibility of the collaborating physician to determine and document the completion of at least a one-month period of time during which the advanced practice registered nurse shall practice with the collaborating physician continuously present before practicing in a setting where the collaborating physician is not continuously present. This limitation shall not apply to collaborative arrangements of providers of population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

10. No agreement made under this section shall supersede current hospital licensing regulations governing hospital medication orders under protocols or standing orders for the purpose of delivering inpatient or emergency care within a hospital as defined in section 197.020 if such protocols or standing orders have been approved by the hospital's medical staff and pharmaceutical therapeutics committee.

11. No contract or other agreement shall require a physician to act as a collaborating physician for an advanced practice registered nurse against the physician's will. A physician shall have the right to refuse to act as a collaborating physician, without penalty, for a particular advanced practice registered nurse. No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any advanced practice registered nurse, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by hospital's medical staff.

12. No contract or other agreement shall require any advanced practice registered nurse to serve as a collaborating advanced practice registered nurse for any collaborating physician against the advanced practice registered nurse's will. An advanced practice registered nurse shall have the right to refuse to collaborate, without penalty, with a particular physician.

JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

FIFTY-SECOND DAY, TUESDAY, APRIL 12, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Representative Brad Hudson.

Dear Heavenly Father,

We acknowledge that we need Your help on this and every day. When we are tempted to serve ourselves before others, please remind us of Your example. When we resist showing grace to those we find difficult, please remind us of the grace we've been shown. When haunted by the failures of our past, please remind us of Your love. In everything please remind us that the longest of days on this earth are fleeting in comparison to eternity. May we walk humbly, do justly, and love mercy. May not just our words but also our lives express with the psalmist, "Blessed be the LORD forevermore."

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Abby Jarman and Maya Newman.

The Journal of the fifty-first day was approved as printed by the following vote:

3. When a person who has been eligible and receiving day care services under this section becomes ineligible due to the end of the twelve-month period of transitional ~~[day]~~ **child care services**, as defined in section 208.400, such person may receive day care services from the ~~[division]~~ **department of elementary and secondary education** if otherwise eligible for such services.

208.046. 1. The ~~[children's division]~~ **department of elementary and secondary education** shall promulgate rules ~~[to become effective no later than July 1, 2011,]~~ to modify the income eligibility criteria for any person receiving state-funded child care assistance ~~[under this chapter,]~~ either through vouchers or direct reimbursement to child care providers[;] as follows:

(1) Child care recipients eligible under this chapter and the criteria set forth in ~~[13-CSR-35-32-010]~~ **5 CSR 25-200** may pay a fee based on adjusted gross income and family size unit based on a child care sliding fee scale established by the ~~[children's division]~~ **department of elementary and secondary education**, which shall be subject to appropriations. However, a person receiving state-funded child care assistance under this chapter and whose income surpasses the annual appropriation level may continue to receive reduced subsidy benefits on a scale established by the ~~[children's division]~~ **department of elementary and secondary education**, at which time such person will have assumed the full cost of the maximum base child care subsidy rate established by the ~~[children's division]~~ **department of elementary and secondary education** and shall be no longer eligible for child care subsidy benefits;

(2) The sliding scale fee may be waived for children with special needs as established by the ~~[division]~~ **department of elementary and secondary education**; and

(3) The maximum payment by the ~~[division]~~ **department of elementary and secondary education** shall be the applicable rate minus the applicable fee.

2. For purposes of this section, "annual appropriation level" shall mean the maximum income level to be eligible for a full child care benefit as determined through the annual appropriations process.

3. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2010, shall be invalid and void.

208.053. 1. The provisions of this section shall be known as the "Low-Wage Trap Elimination Act". In order to more effectively transition persons receiving state-funded child care subsidy benefits under this chapter, the ~~[children's division]~~ **department of elementary and secondary education**, in conjunction with the department of revenue, shall, subject to appropriations, by July 1, 2022, implement a pilot program in a county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants, a county of the first classification with more than two hundred sixty thousand but fewer than three hundred thousand inhabitants, and a county of the first classification with more than two hundred thousand but fewer than two hundred sixty thousand inhabitants, to be called the "Hand-Up Program", to allow applicants in the program to receive transitional child care benefits without the requirement that such applicants first be eligible for full child care benefits.

(1) For purposes of this section, "full child care benefits" shall be the full benefits awarded to a recipient based on the income eligibility amount established by the division through the annual appropriations process as of August 28, 2021, to qualify for the benefits and shall not include the transitional child care benefits that are awarded to recipients whose income surpasses the eligibility level for full benefits to continue. The hand-up program shall be voluntary and shall be designed such that an applicant may begin receiving the transitional child care benefit without having first qualified for the full child care benefit or any other tier of the transitional child care benefit. Under no circumstances shall any applicant be eligible for the hand-up program if the applicant's income does not fall within the transitional child care benefit income limits established through the annual appropriations process.

(2) A participating recipient shall be allowed to opt out of the program at any time, but such person shall not be allowed to participate in the program a second time.

2. The ~~[division]~~ **department of elementary and secondary education** shall track the number of participants in the hand-up program and shall issue an annual report to the general assembly by September 1, 2023, and annually on September first thereafter, detailing the effectiveness of the pilot program in encouraging recipients to secure employment earning an income greater than the maximum wage eligible for the full child care benefit. The report shall also detail the costs of administration and the increased amount of state income tax paid as a result of the program, as well as an analysis of whether the pilot program could be expanded to include other types of benefits including but not limited to food stamps, temporary assistance for needy families, low-income heating assistance, women, infants and children supplemental nutrition program, the state children's health insurance program, and MO HealthNet benefits.

3. The ~~[division]~~ **department of elementary and secondary education** shall pursue all necessary waivers from the federal government to implement the hand-up program. If the ~~[division]~~ **department of elementary and secondary education** is unable to obtain such waivers, the ~~[division]~~ **department** shall implement the program to the degree possible without such waivers.

4. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated under this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.

5. Pursuant to section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall sunset automatically three years after August 28, 2021, unless reauthorized by an act of the general assembly; and

Any person who operates an unlicensed, nonexempt child-care facility in violation of the provisions of sections 210.201 to 210.245 shall be liable for a civil penalty of not less than seven hundred fifty dollars and not more than two thousand dollars. The notice shall contain a statement that the person shall have thirty days to become compliant with sections 210.201 to 210.245, including attaining exempt status or becoming licensed. The person's failure to do so shall result in a civil action in the circuit court of Cole County or criminal charges under this section. The department may, but shall not be required to, request that the attorney general bring the action in place of the department. No civil action provided by this subsection shall be brought if the criminal penalties under subsection 1 of this section have been previously ordered against the person for the same violation. 210.255. 1. A parent or guardian of a child enrolled in a child care facility established, maintained or operated by a religious organization who has cause to believe that this section and section 210.254 are being violated may notify appropriate local law enforcement authorities.

2. If a child care facility maintained or operated under the exclusive control of a religious organization is suspected of violating any provision of sections 210.252 to 210.255, or if there is good cause to believe that the signatory made a materially false statement in the notice of parental responsibility required by sections 210.252 to 210.255, the department of ~~[health and senior services]~~ **elementary and secondary education** shall give twenty days' written notice to the facility concerning the nature of its suspected noncompliance. The injunction shall remain in force until such time as the court determines that the child-care facility is in substantial compliance.

3. In cases of imminent bodily harm to children in the care of a child-care facility, the department of ~~health and senior services~~ **elementary and secondary education** may apply to the circuit court of the county in which the child-care facility is located for injunctive relief, which may include removing the children from the facility, overseeing the operation of the facility or closing the facility.

210.258. 1. The provisions of this section and section 210.259 apply to a child care facility maintained or operated under the exclusive control of a religious organization. Nothing in sections 210.252 to 210.257 shall be construed to authorize the department of ~~health and senior services~~ **elementary and secondary education** or any other governmental entity:

Signed and dated notification forms shall be maintained in the facility's files for departmental inspection.

3. During regular inspections, the department of **elementary and secondary education** shall document the facility's maintenance of past signed and dated notification forms. For the purpose of this section, "classroom instruction" shall mean any public school instruction involving teachers and students or peers and students; "research or experimentation program or project" shall mean any public school research or experimentation program or project designed to explore or develop new and unproven teaching methods and techniques.

2. House Amendment No. 9

AMEND House Amendment No. 9 to House Committee Substitute for House Bill No. 1858, Page 1, Line 4, by deleting all of the said line and inserting in lieu thereof the following:

""162.005. 1. As used in this section, "school board" means a special administrative board or any other form of governance appointed under section 162.081; a board of directors established under section 162.471; a board of education established under section 162.261, 162.571, or 162.855; the governing board of a charter school established under section 160.400; and any other form of governance over a school district established under state law.

2. Before July 1, 2023, each school board shall adopt a school board meeting speaker policy to ensure that the requirements listed in this subsection are followed at each school board meeting:

(1) Each school board shall designate a time for public comment at the beginning of each regular public meeting of the school board. Such public comment period shall be available to residents of the district and shall be subject to reasonable rules requiring decorum and civility in the meeting space;

(2) A school board may set a time limit on any individual who desires to speak at a school board meeting. Each such time limit shall designate not less than three minutes per speaker. The school board may limit the public comment period to one hour of actual testimony or twenty speakers, whichever is less based on the number of minutes designated per speaker. If the time designated for the public comment period expires and additional speakers were not afforded the time to speak, such additional speakers shall have the first opportunity to speak at the public comment period of the next regular public meeting of the school board and the school board shall provide an alternate method of communicating such additional speakers' concerns to the school board;

(3) Each school board shall determine specific identifying information each individual desiring to speak shall provide to the school board before speaking;

(4) Each school board may determine that particular issues are inappropriate for individuals to speak about during such public comment period including, but not limited to, personnel issues and litigation issues. Any guideline prohibiting particular issues from being addressed during such public comment period shall be made available to the public in writing before each public comment period begins;

(5) No school board shall ban an individual from attending or remove an individual from participating in a school board meeting unless such individual is banned or removed because such individual commits the offense of peace disturbance as provided in section 574.010, has previously been removed from a school board meeting and issued a summons for the offense of peace disturbance under section 574.010, or is prohibited from being on school property under state law; and

(6) Each school board shall provide a method for an individual who is unable to attend the public comment period of a school board meeting to submit a written statement. Any such written statement submitted before the beginning of the school board meeting shall be provided to the school board and made available to all individuals attending such meeting and to the public upon request unless such written statement violates the policies or rules established for the public comment period.

3. If multiple speakers desire to speak on the same issue during the public comment period, the school board may suggest that the speakers select one individual to present comments on behalf of all such speakers.

4. Parents may bring a civil action for injunctive relief against the school district or public school in which their child is enrolled if such school district or public school violates this section. Such action shall be brought in the county where the violation occurred. If a court finds that the school district or public school has knowingly engaged in multiple or repeated violations of this section, the department of elementary and secondary education shall withhold all moneys provided by monthly distribution of state formula funding to such school district or public school until such school district or public school is in compliance with this section. After the school district or public school provides evidence that such school district or public school is in compliance with this section, the department shall restore the distribution of the funding to its original

amount before the distribution was withheld. Any moneys that were withheld under this subsection shall be released to such school district or public school only if such school district or public school establishes compliance with this section in the same school year in which the department withheld such moneys.

(17) Personal use or consumption of any controlled substance unless it is prescribed, dispensed, or administered by a health care provider who is authorized by law to do so.

3. After the filing of such complaint, the proceedings shall be conducted in accordance with the provisions of chapter 621. Upon a finding by the administrative hearing commission that the grounds, provided in subsection 2 of this section, for disciplinary action are met, the board may, singly or in combination, censure or place the person named in the complaint on probation on such terms and conditions as the board deems appropriate for a period not to exceed five years, or may suspend, for a period not to exceed three years, or revoke the license, certificate, or permit. The board may impose additional discipline on a licensee, registrant, or permittee found to have violated any disciplinary terms previously imposed under this section or by agreement. The additional discipline may include, singly or in combination, censure, placing the licensee, registrant, or permittee named in the complaint on additional probation on such terms and conditions as the board deems appropriate, which additional probation shall not exceed five years, or suspension for a period not to exceed three years, or revocation of the license, certificate, or permit.

4. If the board concludes that a licensee or registrant has committed an act or is engaging in a course of conduct which would be grounds for disciplinary action which constitutes a clear and present danger to the public health and safety, the board may file a complaint before the administrative hearing commission requesting an expedited hearing and specifying the activities which give rise to the danger and the nature of the proposed restriction or suspension of the licensee's or registrant's license. Within fifteen days after service of the complaint on

the licensee or registrant, the administrative hearing commission shall conduct a preliminary hearing to determine whether the alleged activities of the licensee or registrant appear to constitute a clear and present danger to the public health and safety which justify that the licensee's or registrant's license or registration be immediately restricted or suspended. The burden of proving that the actions of a licensee or registrant constitute a clear and present danger to the public health and safety shall be upon the state board of pharmacy. The administrative hearing commission shall issue its decision immediately after the hearing and shall either grant to the board the authority to suspend or restrict the license or dismiss the action.

5. If the administrative hearing commission grants temporary authority to the board to restrict or suspend the licensee's or registrant's license, such temporary authority of the board shall become final authority if there is no request by the licensee or registrant for a full hearing within thirty days of the preliminary hearing. The administrative hearing commission shall, if requested by the licensee or registrant named in the complaint, set a date to hold a full hearing under the provisions of chapter 621 regarding the activities alleged in the initial complaint filed by the board.

6. If the administrative hearing commission dismisses the action filed by the board pursuant to subsection 4 of this section, such dismissal shall not bar the board from initiating a subsequent action on the same grounds.

7. The board shall not deny, revoke, or suspend, or otherwise take any disciplinary action against, a certificate of registration or authority, permit, or license required by this chapter for any person due to the lawful dispensing, distributing, or selling of ivermectin tablets or hydroxychloroquine sulfate tablets for human use in accordance with prescriber directions. No person licensed under this chapter who dispenses, distributes, or sells ivermectin tablets or hydroxychloroquine sulfate tablets for human use shall ask the patient or prescriber, or otherwise require of the patient or prescriber, the reason or purpose for which the medications shall be used, except in circumstances in which it is necessary for purposes of the patient's health insurance or to clarify dosage for the health and safety of the patient."; and

Further amend the title and enacting clause accordingly.

Emergency clause adopted.

In which the concurrence of the House is respectfully requested.

JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

FIFTY-THIRD DAY, WEDNESDAY, APRIL 13, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

He giveth power to the faint; and to them that have no might He increaseth strength. (Isaiah 40:29)

Ancient and Eternal God, our Creator, in whose presence our restless spirits are quieted and our hungry hearts find the food that nourishes and strengthens our understanding, increase our faith and stimulate our resolve to walk in the way of Your commandments, to abide in Your love, and to serve our state with all our might.

Grant us an inner greatness of spirit that we may meet the challenge of this day unashamed and unafraid. Though the earth be moved, the waters roar, and the mountains shake may we find our refuge and our strength in You.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

"The Star-Spangled Banner" was performed by the Lady Tigers Basketball Team from Neelyville High School.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Evaline Rose Rowland.

The Journal of the fifty-second day was approved as printed by the following vote:

(c) Any person associated with that person.

2. For purposes of this section and sections 213.045 and 213.050, discrimination includes:

(1) A refusal to permit, at the expense of the person with the disability, reasonable modifications of existing premises occupied or to be occupied by such person if such modifications may be necessary to afford such person full enjoyment of the premises, except that, in the case of a rental, the landlord may, where it is reasonable to do so, condition permission for a modification on the renter's agreeing to restore the interior of the premises to the condition that existed before the modification, reasonable wear and tear excepted;

(2) A refusal to make reasonable accommodations in rules, policies, practices, or services, when such accommodations may be necessary to afford such person equal opportunity to use and enjoy a dwelling; or

(3) In connection with the design and construction of covered multifamily dwellings for first occupancy after March 13, 1991, a failure to design and construct those dwellings in such a manner that:

(a) The public use and common use portions of such dwellings are readily accessible to and usable by persons with a disability;

(b) All the doors designed to allow passage into and within all premises within such dwellings are sufficiently wide to allow passage by persons with a disability in wheelchairs; and

(c) All premises within such dwellings contain the following features of adaptive design:

a. An accessible route into and through the dwelling;

b. Light switches, electrical outlets, thermostats, and other environmental controls in accessible locations;

c. Reinforcements in bathroom walls to allow later installation of grab bars; and

d. Usable kitchens and bathrooms such that an individual in a wheelchair can maneuver about the space.

3. As used in subdivision (3) of subsection 2 of this section, the term "covered multifamily dwelling" means:

(1) Buildings consisting of four or more units if such buildings have one or more elevators; and

(2) Ground floor units in other buildings consisting of four or more units.

4. Compliance with the appropriate requirements of the American National Standard for Buildings and Facilities providing accessibility and usability for people with physical disabilities, commonly cited as "ANSI A117.1", suffices to satisfy the requirements of paragraph (a) of subdivision (3) of subsection 2 of this section.

5. Where a unit of general local government has incorporated into its laws the requirements set forth in subdivision (3) of subsection 2 of this section, compliance with such laws shall be deemed to satisfy the requirements of that subdivision. Such compliance shall be subject to the following provisions:

(1) A unit of general local government may review and approve newly constructed covered multifamily dwellings for the purpose of making determinations as to whether the design and construction requirements of subdivision (3) of subsection 2 of this section are met;

(2) The commission shall encourage, but may not require, the units of local government to include in their existing procedures for the review and approval of newly constructed covered multifamily dwellings, determinations

as to whether the design and construction of such dwellings are consistent with subdivision (3) of subsection 2 of this section, and shall provide technical assistance to units of local government and other persons to implement the requirements of subdivision (3) of subsection 2 of this section;

(3) Nothing in this chapter shall be construed to require the commission to review or approve the plans, designs or construction of all covered dwellings, to determine whether the design and construction of such dwellings are consistent with the requirements of subdivision (3) of subsection 2 of this section.

6. Nothing in this chapter shall be construed to invalidate or limit any law of the state or political subdivision of the state, or other jurisdiction in which this chapter shall be effective, that requires dwellings to be designed and constructed in a manner that affords persons with disabilities greater access than is required by this chapter.

7. Nothing in this section and sections 213.045 and 213.050 requires that a dwelling be made available to an individual whose tenancy would constitute a direct threat to the health or safety of other individuals or whose tenancy would result in substantial physical damage to the property of others.

8. Nothing in this section and sections 213.045 and 213.050 limits the applicability of any reasonable local or state restriction regarding the maximum number of occupants permitted to occupy a dwelling, nor does any provision in this section and sections 213.045 and 213.050 regarding familial status apply with respect to housing for older persons.

9. As used in this section and sections 213.045 and 213.050, "housing for older persons" means housing:

(1) Provided under any state or federal program that the commission determines is specifically designed and operated to assist elderly persons, as defined in the state or federal program;

(2) Intended for, and solely occupied by, persons sixty-two years of age or older; or

(3) Intended and operated for occupancy by at least one person fifty-five years of age or older per unit. In determining whether housing qualifies as housing for older persons under this subsection, the commission shall develop regulations which require at least the following factors:

(a) The existence of significant facilities and services specifically designed to meet the physical or social needs of older persons, or if the provision of such facilities and services is not practicable, that such housing is necessary to provide important housing opportunities for older persons; and

(b) That at least eighty percent of the units are occupied by at least one person fifty-five years of age or older per unit; and

(c) The publication of, and adherence to, policies and procedures which demonstrate an intent by the owner or manager to provide housing for persons fifty-five years of age or older.

10. Housing shall not fail to meet the requirements for housing for older persons by reason of:

(1) Persons residing in such housing as of August 28, 1992, who do not meet the age requirements of subdivision (2) or (3) of subsection 9 of this section, provided that new occupants of such housing meet the age requirements of subdivision (2) or (3) of subsection 9 of this section; or

(2) Unoccupied units, provided that such units are reserved for occupancy by persons who meet the age requirements of subdivision (2) or (3) of subsection 9 of this section.

11. Nothing in this section or section 213.045 or 213.050 shall prohibit conduct against a person because such person has been convicted by any court of competent jurisdiction of the illegal manufacture or distribution of a controlled substance, as defined by section 195.010.

12. Nothing in this chapter shall prohibit a religious organization, association, or society, or any nonprofit institution or organization operated, supervised or controlled by or in conjunction with a religious organization, association, or society, from limiting the sale, rental or occupancy of dwellings which it owns or operates for other than a commercial purpose to persons of the same religion, or from giving preference to such persons, unless membership in such religion is restricted on account of race, color, or national origin. Nor shall anything in this chapter prohibit a private club not in fact open to the public, which as an incident to its primary purpose or purposes provides lodging which it owns or operates for other than a commercial purpose, from limiting the rental or occupancy of such lodging to its members or from giving preference to its members.

13. Nothing in this chapter, other than the prohibitions against discriminatory advertising in subdivision (3) of subsection 1 of this section, shall apply to:

(1) The sale or rental of any single family house by a private individual owner, provided the following conditions are met:

(a) The private individual owner does not own or have any interest in more than three single family houses at any one time; and

(b) The house is sold or rented without the use of a real estate broker, agent or salesperson or the facilities of any person in the business of selling or renting dwellings and without publication, posting or mailing of any advertisement. If the owner selling the house does not reside in it at the time of the sale or was not the most recent resident of the house prior to such sale, the exemption in this section applies to only one such sale in any twenty-four-month period; or

(2) Rooms or units in dwellings containing living quarters occupied or intended to be occupied by no more than four families living independently of each other, if the owner actually maintains and occupies one of such living quarters as his or her residence.

213.045. It shall be unlawful for any bank, building and loan association, insurance company or other corporation, association, firm or enterprise whose business consists in whole or in part in the making of commercial real estate loans, to deny a loan or other financial assistance because of race, color, religion, national origin, ancestry, sex, **sexual orientation**, disability or familial status to a person applying therefor for the purpose of purchasing, ~~[construction]~~ **constructing**, improving, repairing, or maintaining a dwelling, or to discriminate against ~~[him]~~ **such person** in fixing of the amount, interest rate, duration, or other terms or conditions of such loan or other financial assistance, because of the race, color, religion, national origin, ancestry, sex, **sexual orientation**, disability, or familial status of such person or of any person associated with ~~[him]~~ **such person** in connection with such loan or other financial assistance, or of the present or prospective owners, lessees, tenants, or occupants, of the dwellings in relation to which such loan or other financial assistance is to be made or given.

213.050. It shall be unlawful to deny any person access to or membership or participation in any multiple listing service, real estate brokers' organization or other service organization, or facility relating to the business of selling or renting dwellings, because of race, color, religion, national origin, ancestry, sex, **sexual orientation**, disability, or familial status.

213.055. 1. It shall be an unlawful employment practice:

(1) For an employer, because of the race, color, religion, national origin, sex, **sexual orientation**, ancestry, age, or disability of any individual:

(a) To fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to ~~[his]~~ **such individual's** compensation, terms, conditions, or privileges of employment, because of such individual's race, color, religion, national origin, sex, **sexual orientation**, ancestry, age, or disability;

(b) To limit, segregate, or classify ~~[his]~~ **such employer's** employees or ~~[his]~~ **such employer's** employment applicants in any way which would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect ~~[his]~~ **such individual's** status as an employee, because of such individual's race, color, religion, national origin, sex, **sexual orientation**, ancestry, age, or disability;

(2) For a labor organization to exclude or to expel from its membership any individual or to discriminate in any way against any of its members or against any employer or any individual employed by an employer because of race, color, religion, national origin, sex, **sexual orientation**, ancestry, age, or disability of any individual; or to limit, segregate, or classify its membership, or to classify or fail or refuse to refer for employment any individual, in any way which would deprive or tend to deprive any individual of employment opportunities, or would limit such employment opportunities or otherwise adversely affect ~~[his]~~ **such individual's** status as an employee or as an applicant for employment, because of such individual's race, color, religion, national origin, sex, **sexual orientation**, ancestry, age, or disability; or for any employer, labor organization, or joint labor-management committee controlling apprenticeship or other training or retraining, including on-the-job training programs to discriminate against any individual because of ~~[his]~~ **such individual's** race, color, religion, national origin, sex, **sexual orientation**, ancestry, age, or disability in admission to, or employment in, any program established to provide apprenticeship or other training;

(3) For any employer or employment agency to print or circulate or cause to be printed or circulated any statement, advertisement or publication, or to use any form of application for employment or to make any inquiry in connection with prospective employment, which expresses, directly or indirectly, any limitation, specification, or discrimination, because of race, color, religion, national origin, sex, **sexual orientation**, ancestry, age, or disability unless based upon a bona fide occupational qualification or for an employment agency to fail or refuse to refer for employment, or otherwise to discriminate against, any individual because of his or her race, color, religion, national origin, sex, **sexual orientation**, ancestry, age as it relates to employment, or disability, or to classify or refer for employment any individual because of his or her race, color, religion, national origin, sex, **sexual orientation**, ancestry, age, or disability.

2. Notwithstanding any other provision of this chapter, it shall not be an unlawful employment practice for an employer to apply different standards of compensation, or different terms, conditions or privileges of employment pursuant to a bona fide seniority or merit system, or a system which measures earnings by quantity or

Further amend said bill, Page 46, Section 115.1510, Line 22, by inserting after all of said section and line the following:

"247.215. 1. The board of directors of any public water supply district which is dependent upon purchases of water to supply its needs may sell and convey part or all of its water mains, plant, real estate, or equipment to any water corporation as defined in section 386.020 if all bonds of the district, whether general obligation bonds constituting a lien on the property within the district or special obligation or revenue bonds constituting a lien on the income and revenues arising from the operation of the water system:

(1) Are to be paid in full, or
 (2) A sum sufficient to pay all of such bonds together with interest accrued or to accrue thereon, together with all other items of expense incident to the payment of such bonds, shall be set aside from the proceeds of said sale and deposited with the fiscal agent named in the bonds for the purpose of full payment.

2. After the board of directors of any public water supply district has entered into a contract to sell part or all of its water mains, plant, real estate or equipment, pursuant to this section, an application shall be made by said board of directors to the circuit court which originally incorporated the district, which application shall set forth a copy of the contract entered into by the parties, and the facts concerning the bondholders and their rights, and requesting an order of the court approving or disapproving the contract.

3. Upon the filing of the application, the court shall set a time for the hearing thereof and shall order a public notice setting forth the nature of the application, a description of the property to be sold, and the time and place for the hearing, to be published for three weeks consecutively, in a newspaper of general circulation in the county in which the application is pending, the last publication to be not more than five days before the date set for the hearing.

4. If the court finds that the contract provides for the sale of all of the mains, plants, real estate and equipment of the district and protects the bondholders' rights, and also provides for the rendering of the necessary water service in the territory embracing the district, and is in the best interest of the residents and property owners of the district, it shall, by its decree, approve the contract and order dissolution of the district, provided that such dissolution is assented to by a ~~two-thirds~~ majority of the voters of the district, voting on the question and provided further, that the dissolution of the district shall not become final until after all its debts have been paid and the disposition of funds of the district has been fully carried out as hereinafter provided to the satisfaction of the court, after which a final decree may be entered.

5. Such water supply district shall not be finally dissolved, upon the sale of all of its assets, until final liquidation thereof and until the trustees of the district have first paid to the collector of the county, or counties, in which the district is located all of its remaining funds which shall be applied pro rata toward the payment and satisfaction of the taxes of the residents and property owners of the district on their respective personal and real property tax bills for the next ensuing year or years. In the event that the sum of money so paid to the collector would amount to less than the equivalent of one cent reduction in the tax rate and thus impose upon the collector a cost burden in excess of the money so paid, then and in that event said funds shall be paid over to the treasurer of the various school districts having real estate within the said water supply district in the ratio that the assessed valuation of such school district bears to the whole assessed valuation of the water supply district.

247.220. 1. Proceedings for the dissolution of a public water supply district shall be substantially the same as proceedings for the formation of such a district, as follows: A petition describing the boundaries of the district sought to be dissolved shall be filed with the clerk of the circuit court of the county wherein the subject district is situate, or with the clerk of the circuit court of the county having the largest acreage within the boundaries of the subject district, in the event that the subject district embraces lands in more than one county. Such petition, in addition to such boundary description, shall allege that further operation of the subject district is inimicable to the best interests of the inhabitants of the district, that the district should, in the interest of the public welfare and safety, be dissolved, that an alternative water supplier is available and better able to supply water to the inhabitants of the district, and such other information as may be useful to the court in determining whether the petition should be granted and a decree of dissolution entered. Such petition shall also include a detailed plan for payment of all debt and obligations of the district at the time of dissolution. Such petition shall be accompanied by a cash deposit of fifty dollars as an advancement of the costs of the proceeding and the petition shall be signed by not less than one-fifth of the registered voters from each subdistrict, or fifty registered voters from each subdistrict, whichever is less,

within the subject district. The petition shall be verified by at least one of the signers thereof and shall be served upon the board of directors of the district as provided by law. The district shall be a party, and if the board of directors in its discretion determines that such dissolution is not in the public interest, the district shall oppose such petition and pay all cost and expense thereof.

2. Upon the filing of the petition, the same shall be presented to the circuit court, and such court shall fix a date for a hearing on such petition, as provided in this section. Thereupon, the clerk of the court shall give notice of the filing of the petition in some newspaper of general circulation in the county in which the proceedings are pending, and if the district extends into any other county or counties, such notice shall also be published in some newspaper of general circulation in such other county or counties. The notice shall contain a description of the subject boundary lines of the district and the general purposes of the petition, and shall set forth the date fixed for the hearing on the petition, which shall not be less than seven nor more than twenty-one days after the date of the last publication of the notice and shall be on some regular judicial day of the court wherein the petition is pending. Such notice shall be signed by the clerk of the circuit court and shall be published in three successive issues of a weekly newspaper or in twenty successive issues of a daily newspaper.

3. The court, for good cause shown, may continue the case or the hearing thereon from time to time until final disposition thereof.

4. Exceptions to the dissolution of a district may be made by any voter or landowner of the district, and by the district as herein provided; such exceptions shall be filed not less than five days prior to the date set for the hearing on the petition. Such exceptions shall specify the grounds upon which the exceptions are filed and the court shall take them into consideration in passing upon the petition and shall also consider the evidence in support of the petition and in support of the exceptions made. Unless petitioners prove that all debts and financial obligations of the district can be paid in full upon dissolution, the petition shall be dismissed at the cost of the petitioners.

5. Should the court find that it would not be to the public interest to dissolve a district, the petition shall be dismissed at the costs of the petitioners. If, however, the court should find in favor of the petitioners, the court shall enter its interlocutory decree of dissolution which decree shall provide for the submission of the question to the voters of the district in substantially the following form:

Shall _____ Public Water Supply District be dissolved?

6. The decree of dissolution shall not become final and conclusive until it shall have been submitted to the voters residing within the boundaries described in such decree and until it shall have been assented to by a majority ~~[of two-thirds]~~ of the voters of the district voting on the proposition. The decree shall provide for the submission of the question and shall fix the date thereof. The returns shall be certified by the election authority to the circuit court having jurisdiction in the case and the court shall thereupon enter its order canvassing the returns and declaring the result of such election.

7. If, upon canvass and declaration, it is found and determined that the question shall have been assented to by a majority of ~~[two-thirds of]~~ the voters of the district voting on such proposition then the court shall, in such order declaring the result of the election, enter a further order declaring the decree of dissolution to be final and conclusive. In the event, however, that the court should find that the question had not been assented to by the majority required, the court shall enter a further order declaring such decree of dissolution to be void and of no effect. No appeal shall lie from any of the aforesaid orders. In the event that the court declares the decree of dissolution to be final, as provided in this section, the clerk of the circuit court shall file certified copies of such decree of dissolution and of such final order with the secretary of state of the state of Missouri, and with the recorder of deeds of the county or counties in which the district is situate and with the clerk of the county commission of the county or counties in which the district is situate.

8. Notwithstanding anything in this section to the contrary, no district shall be dissolved until after all of its debts shall have been paid, and the court, in its decree of dissolution, shall provide for the disposition of the property of the district."; and

Further amend said bill, Page 47, Section 1, Line 48, by inserting after all of said section and line the following:

"Section 2. A person commits the offense of tampering with an election official if, with the purpose to harass, intimidate, or influence such official in the performance of such official's official duties, such person disseminates through any means, including by posting on the internet, the official's family's personal information. For purposes of this section, "personal information" includes a home address, Social Security

For the purposes of this section, the term “election official” includes election judges, challengers, watchers, and other volunteers or employees of an election authority. The offense of tampering with an election official shall be a class D felony. If a violation of this section results in death or bodily injury to an election official or a member of the official’s family, the offense shall be a class B felony.”; and

JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

FIFTY-FOURTH DAY, THURSDAY, APRIL 14, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

I will say of the Lord, He is my refuge and my fortress: my God; in Him will I trust. (Psalm 91:2)

O God, our refuge, we come to You with joyful hearts and logical minds, realizing that this is a great time in which to be alive. By Your spirit, You help us to live with high hopes, fruitful faith, and glorious goals that we may move onward and forward to a greater state and a better world.

Strengthen our faith in You that when differences come we shall not fail; when difficulties burst upon us, we shall not falter; and when differences roll over us, we shall not allow ourselves to give way to frustration or give up to negativity. Let us say and believe You are our refuge and strength. In You, we will trust forever.

Help us to have the courage to stand up for the rights of people, for the freedom of all people, and for the benefit of all people. May we so think and speak so that Your blessings may be upon us this day and all our days here in the people's house.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Candice Sharp, John Jackson, and Lucy Jackson.

The Journal of the fifty-third day was approved as printed by the following vote:

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Lovasco, **House Amendment No. 2** was adopted.

Representative Hudson offered **House Amendment No. 3**.

House Amendment No. 3

AMEND House Bill No. 1859, Page 1, Section A, Line 2, by inserting after all of said section and line the following:

"115.225. 1. Before use by election authorities in this state, the secretary of state shall approve the marking devices and the automatic tabulating equipment used in electronic voting systems and may promulgate rules and regulations to implement the intent of sections 115.225 to 115.235.

2. No electronic voting system shall be approved unless it:

(1) Permits voting in absolute secrecy;

(2) Permits each voter to vote for as many candidates for each office as a voter is lawfully entitled to vote for;

(3) Permits each voter to vote for or against as many questions as a voter is lawfully entitled to vote on, and no more;

(4) Provides facilities for each voter to cast as many write-in votes for each office as a voter is lawfully entitled to cast;

(5) Permits each voter in a primary election to vote for the candidates of only one party announced by the voter in advance;

(6) Permits each voter at a presidential election to vote by use of a single mark for the candidates of one party or group of petitioners for president, vice president and their presidential electors;

(7) Accurately counts all proper votes cast for each candidate and for and against each question;

(8) Is set to reject all votes, except write-in votes, for any office and on any question when the number of votes exceeds the number a voter is lawfully entitled to cast;

(9) **Produces the election results from paper ballots that voters have marked by hand or, in the case of voters who are disabled and need assistance, from paper ballots that have been marked by paper ballot marking machines designed to assist voters who are disabled;**

(10) Permits each voter, while voting, to clearly see the ballot label; and

~~[(10)]~~ (11) Has been tested and is certified by an independent authority that meets the voting system standards developed by the Federal Election Commission or its successor agency. The provisions of this subdivision shall not be required for any system purchased prior to August 28, 2002.

3. **Until January 1, 2024, if any election authority uses direct-record electronic touchscreen vote counting machines, the election authority may continue to use such machines solely for voters who are disabled and desire to use them. When machines require replacement due to wear and tear, malfunction, or any other reason, such machine shall be replaced with a paper ballot marking machine designed to assist voters who are disabled. Under no circumstances shall direct-record electronic touchscreen vote counting machines be used after January 1, 2024.**

4. The secretary of state shall promulgate rules and regulations to allow the use of a computerized voting system. The procedures shall provide for the use of a computerized voting system with the ability to provide a paper audit trail. Notwithstanding any provisions of this chapter to the contrary, such a system may allow for the storage of processed ballot materials in an electronic form.

~~[4-]~~ 5. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2002, shall be invalid and void.

115.237. 1. **Beginning January 1, 2023, the official ballot shall be a paper ballot that is hand-marked by the voter or by the voter's designee as permitted under subsection 3 of section 115.445, unless such voter chooses to use a ballot marking device as provided in subsection 3 of section 115.225.**

2. Each ballot printed or designed for use with an electronic voting system for any election pursuant to this chapter shall contain all questions and the names of all offices and candidates certified or filed pursuant to this chapter and no other. As far as practicable, all questions and the names of all offices and candidates for which each voter is entitled to vote shall be printed on one page except for the ballot for political party committee persons in polling places not utilizing an electronic voting system which may be printed separately and in conformity with the requirements contained in this section. As far as practicable, ballots containing only questions and the names of nonpartisan offices and candidates shall be printed in accordance with the provisions of this section, except that the ballot information may be listed in vertical or horizontal rows. The names of candidates for each office shall be listed in the order in which they are filed.

~~[2-]~~ 3. In polling places using electronic voting systems, the ballot information may be arranged in vertical or horizontal rows or on a number of separate pages or screens. In any event, the name of each candidate, the candidate's party, the office for which he or she is a candidate, and each question shall be indicated clearly on the ballot.

~~[3-]~~ 4. Nothing in this subchapter shall be construed as prohibiting the use of a separate paper ballot for questions or for the presidential preference primary in any polling place using an electronic voting system.

~~[4-]~~ 5. Where electronic voting systems are used and when write-in votes are authorized by law, a write-in ballot, which may be in the form of a separate paper ballot, card, or envelope, may be provided by the election authority to permit each voter to write in the names of persons whose names do not appear on the ballot.

~~[5-]~~ 6. No ballot printed or designed for use with an electronic voting system for any partisan election held under this chapter shall allow a person to vote a straight political party ticket. For purposes of this subsection, a "straight political party ticket" means voting for all of the candidates for elective office who are on the ballot representing a single political party by a single selection on the ballot.

~~[6-]~~ 7. The secretary of state shall promulgate rules that specify uniform standards for ballot layout for each electronic or computerized ballot counting system approved under the provisions of section 115.225 so that the ballot used with any counting system is, where possible, consistent with the intent of this section. Nothing in this section shall be construed to require the format specified in this section if it does not meet the requirements of the ballot counting system used by the election authority.

~~[7-]~~ 8. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2002, shall be invalid and void."; and

Further amend said bill and page, Section 116.225, Line 16, by inserting after all of said section and line the following:

"Section 1. Notwithstanding any other provision of law to the contrary, drop boxes, which for purposes of this section shall mean unattended depositories for election ballots, but shall not include mail boxes under the ownership and control of the United States Postal Service, shall be prohibited in this state."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

"167.181. 1. The department of health and senior services, after consultation with the department of elementary and secondary education, shall promulgate rules and regulations governing the immunization against poliomyelitis, rubella, rubeola, mumps, tetanus, pertussis, diphtheria, and hepatitis B, to be required of children attending public~~[-private, parochial or parish]~~ schools. Such rules and regulations ~~[may modify the]~~ **shall not require immunizations against diseases** that are ~~[required of children]~~ **not listed** in this subsection. The immunizations required and the manner and frequency of their administration shall conform to recognized standards of medical practice. The department of health and senior services shall supervise and secure the enforcement of the required immunization program.

2. It is unlawful for any student to attend **public** school unless he **or she** has been immunized as required under the rules and regulations of the department of health and senior services~~[-]~~ and can provide satisfactory evidence of such immunization, **or unless he or she can provide satisfactory evidence of acquired immunity**; except that if he **or she** produces satisfactory evidence of having begun the process of immunization, he **or she** may continue to attend school as long as the immunization process is being accomplished in the prescribed manner. It is unlawful for any parent or guardian to refuse or neglect to have his **or her** child immunized as required by this section, unless the child is properly exempted.

3. This section shall not apply to any child if one parent or guardian objects in writing to his **or her** school administrator against the immunization of the child, because of religious **or conscientious** beliefs or medical contraindications. In cases where any such objection is for reasons of medical contraindications, a statement from a duly licensed physician must also be provided to the school administrator. **The written religious or conscientious belief objection may be a written statement of the parent or guardian as long as the written statement includes the child's name and the parent's or guardian's name and signature. Each public school shall accept the written religious or conscientious belief objection as described under this subsection or the religious or conscientious belief exemption form as described under section 167.186 and shall not require any additional actions including, but not limited to, submitting additional forms, making an appointment with the local health department, obtaining an official stamp or seal, watching a video, or attending a lecture.**

4. Each school superintendent~~[-, whether]~~ of a public~~[-private, parochial or parish]~~ school~~[-]~~ shall cause to be prepared a record showing the immunization status of every child enrolled in or attending a school under his **or her** jurisdiction. The name of any parent or guardian who neglects or refuses to permit a nonexempted child to be immunized against diseases as required by the rules and regulations promulgated pursuant to the provisions of this section shall be reported by the school superintendent to the department of health and senior services.

5. The immunization required may be done by any duly licensed physician or by someone under his or her direction. If the parent or guardian is unable to pay, the child shall be immunized at public expense by a physician or nurse at or from the county, district, city public health center or a school nurse or by a nurse or physician in the private office or clinic of the child's personal physician with the costs of immunization paid through the state Medicaid program, private insurance or in a manner to be determined by the department of health and senior services subject to state and federal appropriations, and after consultation with the school superintendent and the advisory committee established in section 192.630. When a child receives his or her immunization, the treating physician may also administer the appropriate fluoride treatment to the child's teeth.

6. Funds for the administration of this section and for the purchase of vaccines for children of families unable to afford them shall be appropriated to the department of health and senior services from general revenue or from federal funds if available.

7. No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void.

2. If two or more members of a medical institution who are required to report jointly have knowledge of a known or suspected instance of child abuse or neglect, a single report may be made by a designated member of that medical team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter immediately make the report. Nothing in this section, however, is meant to preclude any person from reporting abuse or neglect.

3. The reporting requirements under this section are individual, and no supervisor or administrator may impede or inhibit any reporting under this section. No person making a report under this section shall be subject to any sanction, including any adverse employment action, for making such report. Every employer shall ensure that any employee required to report pursuant to subsection 1 of this section has immediate and unrestricted access to communications technology necessary to make an immediate report and is temporarily relieved of other work duties for such time as is required to make any report required under subsection 1 of this section.

4. Notwithstanding any other provision of sections 210.109 to 210.183, any child ~~[who does]~~ not ~~[receive]~~ **receiving** specified medical treatment by reason of the legitimate practice of the religious belief of the child's parents, guardian, or others legally responsible for the child~~[-for that reason alone,]~~ **or not receiving immunizations by reason of the religious or conscientious belief of the child's parents, guardian, or others legally responsible for the child** shall not be ~~[found to be]~~ **a contributing factor for a finding of** an abused or neglected child, and such parents, guardian or other persons legally responsible for the child shall not be entered into the central registry. However, the division may accept reports concerning such a child and may subsequently investigate or conduct a family assessment as a result of that report; **except that, a child not receiving immunizations shall not be a contributing factor in the division's decision to accept reports concerning such a child or to investigate or conduct a family assessment.** Such an exception shall not limit the administrative or judicial authority of the state to ensure that medical services are provided to the child when the child's health requires it.

5. In addition to those persons and officials required to report actual or suspected abuse or neglect, any other person may report in accordance with sections 210.109 to 210.183 if such person has reasonable cause to suspect that a child has been or may be subjected to abuse or neglect or observes a child being subjected to conditions or circumstances which would reasonably result in abuse or neglect.

6. Any person or official required to report pursuant to this section, including employees of the division, who has probable cause to suspect that a child who is or may be under the age of eighteen, who is eligible to receive a certificate of live birth, has died shall report that fact to the appropriate medical examiner or coroner. If, upon review of the circumstances and medical information, the medical examiner or coroner determines that the child died of natural causes while under medical care for an established natural disease, the coroner, medical examiner or physician shall notify the division of the child's death and that the child's attending physician shall be signing the death certificate. In all other cases, the medical examiner or coroner shall accept the report for investigation, shall immediately notify the division of the child's death as required in section 58.452 and shall report the findings to the child fatality review panel established pursuant to section 210.192.

7. Any person or individual required to report may also report the suspicion of abuse or neglect to any law enforcement agency or juvenile office. Such report shall not, however, take the place of reporting to the division.

8. If an individual required to report suspected instances of abuse or neglect pursuant to this section has reason to believe that the victim of such abuse or neglect is a resident of another state or was injured as a result of an act which occurred in another state, the person required to report such abuse or neglect may, in lieu of reporting to the Missouri children's division, make such a report to the child protection agency of the other state with the authority to receive such reports pursuant to the laws of such other state. If such agency accepts the report, no report is required to be made, but may be made, to the children's division.

9. For the purposes of providing supportive services or verifying the status of a youth as unaccompanied or homeless for the purposes of accessing supportive services, the fact that a child is an unaccompanied youth as defined in 42 U.S.C. Section 11434a(6) is not, in and of itself, a sufficient basis for reporting child abuse or neglect, unless the child is under sixteen years of age or is an incapacitated person, as defined in section 475.010. Nothing in this subsection shall limit a mandated reporter from making a report under this section if the mandated reporter knows or has reasonable cause to suspect that an unaccompanied youth has been or may be a victim of abuse or neglect.

334.099. 1. (1) The board may initiate a contested hearing to determine if reasonable cause exists to believe that a licensee or applicant is unable to practice his or her profession with reasonable skill and safety to the public by reason of medical or osteopathic incompetency, mental or physical incapacity, or due to the excessive use or abuse of alcohol or controlled substances. **The board shall not initiate a contested hearing on the basis of, or in retaliation for, any licensee or applicant providing an immunization exemption statement or certification under section 167.181, 174.335, or 210.003.**

(2) The board shall serve notice pursuant to section 536.067 of the contested hearing at least fifteen days prior to the hearing. Such notice shall include a statement of the reasons the board believes there is reasonable cause to believe that a licensee or applicant is unable to practice his or her profession with reasonable skill and safety to the public by reason of medical or osteopathic incompetency, mental, or physical incapacity, or due to the excessive use or abuse of alcohol or controlled substances.

(3) For purposes of this section and prior to any contested hearing, the board may, notwithstanding any other law limiting access to medical or other health data, obtain medical data and health records relating to the licensee or applicant without the licensee's or applicant's consent, upon issuance of a subpoena by the board. These data and records shall be admissible without further authentication by either board or licensee at any hearing held pursuant to this section.

(4) After a contested hearing before the board, and upon a showing of reasonable cause to believe that a licensee or applicant is unable to practice his or her profession with reasonable skill and safety to the public by reason of medical or osteopathic incompetency, mental, or physical incapacity, or due to the excessive use or abuse of alcohol or controlled substances the board may require a licensee or applicant to submit to an examination. The board shall maintain a list of facilities approved to perform such examinations. The licensee or applicant may propose a facility not previously approved to the board and the board may accept such facility as an approved facility for such licensee or applicant by a majority vote.

(5) For purposes of this subsection, every licensee or applicant is deemed to have consented to an examination upon a showing of reasonable cause. The applicant or licensee shall be deemed to have waived all objections to the admissibility of testimony by the provider of the examination and to the admissibility of examination reports on the grounds that the provider of the examination's testimony or the examination is confidential or privileged.

(6) Written notice of the order for an examination shall be sent to the applicant or licensee by registered mail, addressed to the licensee or applicant at the licensee's or applicant's last known address on file with the board, or shall be personally served on the applicant or licensee. The order shall state the cause for the examination, how to obtain information about approved facilities, and a time limit for obtaining the examination. The licensee or applicant shall cause a report of the examination to be sent to the board.

(7) The licensee or applicant shall sign all necessary releases for the board to obtain and use the examination during a hearing and to disclose the recommendations of the examination as part of a disciplinary order.

(8) After receiving the report of the examination ordered in subdivision (4) of this subsection, the board may hold a contested hearing to determine if by clear and convincing evidence the licensee or applicant is unable to practice with reasonable skill or safety to the public by reasons of medical or osteopathic incompetency, reason of mental or physical incapacity, or due to the excessive use or abuse of alcohol or controlled substances. If the board finds that the licensee or applicant is unable to practice with reasonable skill or safety to the public by reasons of medical or osteopathic incompetency, reason of mental or physical incapacity, or excessive use or abuse of controlled substances, the board shall, after a hearing, enter an order imposing one or more of the disciplinary measures set forth in subsection 4 of section 334.100.

(9) The provisions of chapter 536 for a contested case, except those provisions or amendments which are in conflict with this section, shall apply to and govern the proceedings contained in this subsection and the rights and duties of the parties involved. The person appealing such an action shall be entitled to present evidence under chapter 536 relevant to the allegations.

2. Failure to submit to the examination when directed shall be cause for the revocation of the license of the licensee or denial of the application. No license may be reinstated or application granted until such time as the examination is completed and delivered to the board or the board withdraws its order.

3. Neither the record of proceedings nor the orders entered by the board shall be used against a licensee or applicant in any other proceeding, except for a proceeding in which the board or its members are a party or in a proceeding involving any state or federal agency.

4. A licensee or applicant whose right to practice has been affected under this section shall, at reasonable intervals not to exceed twelve months, be afforded an opportunity to demonstrate that he or she can resume the competent practice of his or her profession or should be granted a license. The board may hear such motion more often upon good cause shown.

5. The board shall promulgate rules and regulations to carry out the provisions of this section.

6. For purposes of this section, "examination" means a skills, multidisciplinary, or substance abuse evaluation.

334.100. 1. **(1)** The board may refuse to issue or renew any certificate of registration or authority, permit or license required pursuant to this chapter for one or any combination of causes stated in subsection 2 of this section. The board shall notify the applicant in writing of the reasons for the refusal and shall advise the applicant of the applicant's right to file a complaint with the administrative hearing commission as provided by chapter 621. As an alternative to a refusal to issue or renew any certificate, registration or authority, the board may, at its discretion, issue a license which is subject to probation, restriction or limitation to an applicant for licensure for any one or any combination of causes stated in subsection 2 of this section. The board's order of probation, limitation or restriction shall contain a statement of the discipline imposed, the basis therefor, the date such action shall become effective, and a statement that the applicant has thirty days to request in writing a hearing before the administrative hearing commission. If the board issues a probationary, limited or restricted license to an applicant for licensure, either party may file a written petition with the administrative hearing commission within thirty days of the effective date of the probationary, limited or restricted license seeking review of the board's determination. If no written request for a hearing is received by the administrative hearing commission within the thirty-day period, the right to seek review of the board's decision shall be considered as waived.

(2) The board shall not refuse to issue or renew any certificate of registration or authority, permit, or license required by this chapter on the basis of, or in retaliation for, providing an immunization exemption statement or certification under section 167.181, 174.335, or 210.003. The board shall not issue a license that is subject to probation, restriction, or limitation on the basis of, or in retaliation for, providing an immunization exemption statement or certification under section 167.181, 174.335, or 210.003.

2. The board may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621 against any holder of any certificate of registration or authority, permit, or license required by this chapter or any person who has failed to renew or has surrendered the person's certificate of registration or authority, permit, or license for any one or any combination of the following causes:

An applicant or licensee shall also be in violation of this provision if the applicant or licensee has a financial interest in any organization, corporation, or association which issues or conducts such advertising;

(s) Any other conduct that is unethical or unprofessional involving a minor;

JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

FORTY-SEVENTH DAY, MONDAY, APRIL 4, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Representative Kent Haden.

Heavenly Father, thank You for this beautiful day. Lord, as we consider the important matters that are before us this week, help us to have the wisdom of Solomon, the vision of Daniel, and most of all, allow us to have grace toward each other and our constituents, just as You showed us grace with the gift of Christ, who died on the cross for our sins. Be with us in our deliberations, and Lord, also remember the people of Ukraine and be with them in their time of terror.

Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the forty-fourth day was approved as printed by the following vote:

On motion of Representative Shaul, the title of **HB 2697** was agreed to.

Representative Roberts offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Bill No. 2697, Page 1, Section A, Line 2, by inserting after said section and line the following:

"407.1700. 1. For the purposes of this section, the following terms shall mean:

(1) "Consumer product", any tangible personal property that is distributed in commerce and that is normally used for personal, family, or household purposes, including any such property intended to be attached to or installed in any real property without regard to whether the personal property is so attached or installed;

(2) "High-volume third-party seller", a participant in an online marketplace who is a third-party seller and who, in any continuous twelve-month period during the previous twenty-four months, has entered into two hundred or more discrete sales or transactions of new or unused consumer products with an aggregate total of five thousand dollars or more in gross revenue. For purposes of calculating the number of discrete sales or transactions or the aggregate gross revenues under this subdivision, an online marketplace shall be required to count only sales or transactions made through the online marketplace and for which payment was processed by the online marketplace, either directly or through its payment processor;

(3) "Online marketplace", any person or entity that operates a consumer-directed, electronically-based or accessed platform that:

- (a) Includes features that allow for, facilitate, or enable third-party sellers to engage in the sale, purchase, payment, storage, shipping, or delivery of a consumer product in the United States;
 - (b) Is used by one or more third-party sellers for such purposes; and
 - (c) Has a contractual or similar relationship with consumers governing its use of the platform to purchase consumer products;
 - (4) "Seller", a person who sells, offers to sell, or contracts to sell a consumer product through an online marketplace's platform;
 - (5) "Third-party seller", any seller, independent of an online marketplace, who sells, offers to sell, or contracts to sell a consumer product through an online marketplace. This term shall not include a seller who:
 - (a) Operates the online marketplace's platform; or
 - (b) Is a business entity that has:
 - a. Made available to the general public the entity's name, business address, and working contact information;
 - b. An ongoing contractual relationship with the online marketplace to provide the online marketplace with the manufacture, distribution, wholesaling, or fulfillment of shipments of consumer products; and
 - c. Provided to the online marketplace identifying information, as described in subparagraph a. of this paragraph, that has been verified under subsection 2 of this section;
 - (6) "Verify", to confirm information provided to an online marketplace under this section, which may include the use of one or more methods that enable the online marketplace to reliably determine that any information and documents provided are valid, corresponding to the seller or an individual acting on the seller's behalf; not misappropriated; and not falsified.
2. An online marketplace shall require any high-volume third-party seller on the online marketplace to provide, no later than ten days after qualifying as a high-volume third-party seller, the following information:
- (1) Bank account information, including a bank account number or, if such seller does not have a bank account, the name of the payee for payments issued by the online marketplace to such seller. The bank account or payee information required under this subdivision may be provided by the seller in the following ways:
 - (a) To the online marketplace; or
 - (b) To a payment processor or other third party contracted by the online marketplace to maintain such information, provided that the online marketplace ensures that it may obtain such information on demand from such payment processor or other third party;
 - (2) Contact information for such seller, including the following:
 - (a) With respect to a high-volume third-party seller who is an individual, the individual's name; or
 - (b) With respect to a high-volume third-party seller who is not an individual, one of the following forms of contact information:
 - a. A copy of a valid government-issued identification for an individual acting on behalf of such seller that includes the individual's name; or
 - b. A copy of a valid government-issued record or tax document that includes the business name and physical address of such seller;
 - (3) A current working email address and phone number for such seller; and
 - (4) A business tax identification number or, if such seller does not have a business tax identification number, a taxpayer identification number.
3. An online marketplace shall:
- (1) Periodically, but no less than annually, notify any high-volume third-party seller on such online marketplace's platform of the requirement to keep any information collected under subsection 2 of this section current; and
 - (2) Require any high-volume third-party seller on such online marketplace's platform to, no later than ten days after receiving the notice under subdivision (1) of this subsection, electronically certify that:
 - (a) The seller has provided any changes to such information to the online marketplace if any such changes have occurred;
 - (b) There have been no changes to such seller's information; or
 - (c) Such seller has provided any changes to such information to the online marketplace.

4. In the event that a high-volume third-party seller does not provide the information or certification required under subsections 2 and 3 of this section, the online marketplace shall, after providing the seller with written or electronic notice and an opportunity to provide such information or certification no later than ten days after the issuance of such notice, suspend any future sales activity of such seller until such seller provides such information or certification.

5. (1) An online marketplace shall:

(a) Verify the information collected in subsection 2 of this section no later than ten days after such collection; and

(b) Verify any change to such information no later than ten days after being notified of such change by a high-volume third-party seller under subsection 3 of this section.

(2) In the case of a high-volume third-party seller who provides a copy of a valid government-issued tax document, any information contained in such tax document shall be presumed to be verified as of the date of issuance of such document.

(3) Data collected to comply solely with the requirements of this section shall not be used for any other purpose unless required by law.

(4) An online marketplace shall implement and maintain reasonable security procedures and practices, including administrative, physical, and technical safeguards, appropriate to the nature of the data and the purposes for which the data will be used, to protect the data collected to comply with the requirements of this section from unauthorized use, disclosure, access, destruction, or modification.

6. (1) An online marketplace shall:

(a) Require any high-volume third-party seller with an aggregate total of twenty thousand dollars or more in annual gross revenues on such online marketplace, and that uses such online marketplace's platform, to provide the information described in subdivision (2) of this subsection to the online marketplace; and

(b) Disclose the information described in subdivision (2) of this subsection to consumers in a clear and conspicuous manner in the order confirmation message or other document or communication made to a consumer after a purchase is finalized and in the consumer's account transaction history.

(2) The information required shall be the following:

(a) Subject to subdivision (3) of this subsection, the identity of the high-volume third-party seller, including:

a. The full name of the seller, which may include the seller's name or seller's company name, or the name by which the seller or company operates on the online marketplace;

b. The physical address of the seller; and

c. Contact information for the seller, to allow for the direct, unhindered communication with high-volume third-party sellers by users of the online marketplace, including:

(i) A current working phone number;

(ii) A current working email address; or

(iii) Other means of direct electronic messaging, which may be provided to such seller by the online marketplace; and

(b) Whether the high-volume third-party seller used a different seller to supply the consumer product to the consumer upon purchase and, upon the request of an authenticated purchaser, the information described in paragraph (a) of this subdivision relating to any such seller who supplied the consumer product to the purchaser if such seller is different than the high-volume third-party seller listed on the product listing prior to purchase.

(3) Subject to subdivision (2) of this subsection, upon the request of a high-volume third-party seller, an online marketplace may provide for partial disclosure of the identity information required under paragraph (a) of subdivision (2) of this subsection in the following situations:

(a) If such seller certifies to the online marketplace that the seller does not have a business address and only has a residential street address, or has a combined business and residential address, the online marketplace may:

a. Disclose only the country and, if applicable, the state in which such seller resides; and

b. Inform consumers that there is no business address available for the seller and that consumer inquiries should be submitted to the seller by phone, email, or other means of electronic messaging provided to such seller by the online marketplace;

(b) If such seller certifies to the online marketplace that the seller is a business that has a physical address for product returns, the online marketplace may disclose the seller's physical address for product returns; and

(c) If such seller certifies to the online marketplace that the seller does not have a phone number other than a personal phone number, the online marketplace shall inform consumers that there is no phone number available for the seller and that consumer inquiries should be submitted to the seller's email address or other means of electronic messaging provided to such seller by the online marketplace.

(4) If an online marketplace becomes aware that a high-volume third-party seller has made a false representation to the online marketplace in order to justify the provision of a partial disclosure under subdivision (1) of this subsection or that a high-volume third-party seller who has requested and received a provision for a partial disclosure under subdivision (1) of this subsection has not provided responsive answers within a reasonable time frame to consumer inquiries submitted to the seller by phone, email, or other means of electronic messaging provided to such seller by the online marketplace, the online marketplace shall, after providing the seller with written or electronic notice and an opportunity to respond no later than ten days after the issuance of such notice, suspend any future sales activity of such seller unless such seller consents to the disclosure of the identity information required under paragraph (a) of subdivision (2) of this subsection.

(5) An online marketplace shall disclose to consumers in a clear and conspicuous manner on the product listing of any high-volume third-party seller a reporting mechanism that allows for electronic and telephonic reporting of suspicious marketplace activity to the online marketplace.

(6) If a high-volume third-party seller does not comply with the requirements to provide and disclose information under this subsection, the online marketplace shall, after providing the seller with written or electronic notice and an opportunity to provide or disclose such information no later than ten days after the issuance of such notice, suspend any future sales activity of such seller until the seller complies with such requirements.

7. (1) A violation of the provisions of this section shall be treated as a violation of sections 407.010 to 407.130 and shall be enforced solely by the attorney general. Nothing in this section shall be construed as providing the basis for, or subjecting a party to, a private civil action.

(2) The consumer protection section of the office of the attorney general may promulgate rules and regulations with respect to collecting, verifying, and disclosing information under this section, provided that such rules and regulations are limited to what is necessary to collect, verify, or disclose such information. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after the effective date of this section shall be invalid and void.

8. If the attorney general has reason to believe that any online marketplace has violated or is violating this section or a rule or regulation promulgated under this section that affects one or more residents of Missouri, the attorney general may bring a civil action in any appropriate circuit court to:

- (1) Enjoin further such violation by the defendant;
- (2) Enforce compliance with this section or such rule or regulation;
- (3) Obtain civil penalties in the amount provided for under subsection 6 of this section;
- (4) Obtain other remedies permitted under state law; and
- (5) Obtain damages, restitution, or other compensation on behalf of residents of this state."; and

Further amend said bill, Page 2, Section 570.036, Line 27, by inserting after said section and line the following:

"Section B. Section 407.1700 of section A of this act shall become effective on February 28, 2023."; and

JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

FORTY-EIGHTH DAY, TUESDAY, APRIL 5, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

The Lord is good to all; and His tender mercies are over all His works. (Psalm 145:9)

Almighty God, maker and ruler of the world, and the source of all goodness and beauty, all truth and love, to You we turn for quiet from the noise of the world and for inner peace from the distractions that rage about us.

Help us this day to accept our duties with gratitude, our troubles with fortitude, and our responsibilities with fidelity. Deliver us from petty annoyances which bother us and from petulant irritations which upset us.

Make us gloriously equal to our experiences and truly adequate for the task at hand with the budget to keep freedom for all, justice for all, and good will for all alive in our state and in this chamber.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Jocelyn Westerfeld, Maya Westerfeld, and August Westerfeld.

The Journal of the forty-seventh day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

FORTY-NINTH DAY, WEDNESDAY, APRIL 6, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Let us search and try our ways, and turn again unto the Lord. (Lamentations 3:40)

O God, our Eternal Word, as we seek to find our way through these busy, days make us mindful of Your presence, eager to do Your will, and ready to carry our responsibilities with honor to ourselves, to our state, and to You.

Give us clarity of vision to see what we ought to do, the courage to do it, and the faith to keep us firm amid the frustrations of these long legislative debates.

Bless our Representatives and all who work for them and with them, plus their families. May they be strengthened with high principles and sustained by realistic goals as they seek to do their duties and to discharge their obligations with fidelity. Together may we commit ourselves to You and to the building of a stronger Show Me State.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Melody Meredith, Zylene Renee Jean Plankey, and Zoe James-Thompson.

The Journal of the forty-eighth day was approved as printed.

(10) "School", any public school, private school, or provider of an early childhood education program that receives state funding.

3. Beginning in the 2023-24 school year and for each subsequent school year, each school shall provide drinking water with a lead concentration level below the American Academy of Pediatrics' recommended maximum level for schools of one part per billion in sufficient amounts to meet the drinking water needs of all students and staff as provided in this section.

4. (1) Before January 1, 2024, each school shall:

(a) Conduct an inventory of all drinking water outlets and nonpotable water fixtures in each of the school's buildings;

(b) Remove any drinking watercoolers that the United States Environmental Protection Agency has determined are not lead-free under the federal Lead Contamination Control Act of 1988, as amended;

(5) Within sixty days after filters are installed as required under paragraph (c) of subdivision (1) of this subsection and annually thereafter, each school shall conduct testing for lead by first-draw and follow-up flush samples of a random sampling of at least twenty-five percent of remediated drinking water outlets until all remediated sources have been tested as recommended by the 2018 version of the United States Environmental Protection Agency's "Training, Testing, and Taking Action" program. The testing shall be conducted and the results analyzed for both types of tests by an entity or entities approved by the department.

(6) Within two weeks after receiving test results, each school shall make all testing results and any lead remediation plans available on the school's website.

(7) School districts shall submit such annual testing results to the commission.

(8) This subsection shall not be construed to prevent a school from conducting more frequent testing than required under this section.

5. (1) If a first draw sample shows a lead concentration of one part per billion or greater, the affected school shall:

(a) Within one business day after receiving the test result, shut off the drinking water outlet;

(b) Provide bottled water if there is not enough water to meet the drinking water needs of the students, teachers, and staff; and

(c) Within thirty days after receiving the test result, determine interim remediation steps to implement to address the elevated lead concentration level. Such steps shall be posted to the school website.

(2) If a pipe, solder, fitting, or fixture is replaced as part of permanent remediation under paragraph (d) of subdivision (1) of this subsection, the replacement shall be lead-free, as such term is defined in 40 CFR 143.12, as amended.

(3) If a test result exceeds one part per billion, the affected school shall contact parents and staff via written notification within seven business days after receiving the test result. The notification shall include at least:

(a) The test results and a summary that explains such results;

(b) A description of any remedial steps taken; and

(c) A description of general health effects of lead contamination and community specific resources.

6. (1) In addition to the apportionments payable to a school district under chapter 163, the department of natural resources is hereby authorized to apportion to any school additional funding for the filtration, testing, and other remediation of drinking water systems required under this section, subject to appropriation.

(2) To the extent permitted by federal law, a school district may seek reimbursement or other funds for compliance incurred under this section under any applicable federal law including, but not limited to, America's Water Infrastructure Act of 2018 and the Water Infrastructure Finance and Innovation Act of 2014, 33 U.S.C. Section 3901 et seq.

(3) Disadvantaged school districts shall receive funding priority under this subsection.

7. The commission, in conjunction with the department of elementary and secondary education, shall publish a report biennially based on the findings from the water testing conducted under this section. Such report shall be sent to the governor and the joint committee on education and shall be made available on the website of the commission.

8. The commission shall:

11. A school that tests and does not find a drinking water source with a lead concentration above the acceptable level as defined in subsection 3 of this section shall be required to test only every five years.

12. The commission may promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

FIFTIETH DAY, THURSDAY, APRIL 7, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

In the days when I cried to Thee, Thou didst answer me and didst increase the strength of my soul.
(Psalm 138:3)

Eternal God, our Creator, who is the guide of us all, grant that by the tides of Your spirit we may be lifted into the blessed security that You are with us, that Your grace is sufficient for every need, and that by Your living presence in our hearts we may meet our responsibilities with patience, manage our moods with creative faith, and master our temptations with confident strength here in the People's House.

Make us ever sensitive to the needs of our citizens and ready to dedicate ourselves to worthy, royal endeavors that minister to the cardinal virtues of our state.

Finally, bless those who struggle for freedom across our world. Crown their efforts with resounding success that all peoples everywhere may ultimately be free.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Asher Dinkins, Cole Romann, Etta Heller, Kole Kramer, Jillian Gegg, Carter Burr, Dakotah Meadows, and Arthur Curtis Kreienkamp IV.

The Journal of the forty-ninth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

FORTY-FIRST DAY, MONDAY, MARCH 28, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Representative Alex Riley.

Heavenly Father, we thank You for the opportunity You have blessed all of us with to serve the people of the state of Missouri. Please give us wisdom as we work together to make our state a better place – the type of divine wisdom that can only come from You. Please give us wisdom as we consider legislation and give us courage to both pass good legislation and courage to vote against bad legislation. Please guide our interactions with one another in this chamber and with our constituents back home. In all of our words and actions, help us conduct ourselves with dignity and in a graceful manner pleasing to You. Please bless everyone here in this chamber and please bless everyone across our state.

In Your name we pray, Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Luke Nurrenbern, Eli Nurrenbern, and Henry Nurrenbern.

The Journal of the fortieth day was approved as printed.

JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

FORTY-SECOND DAY, TUESDAY, MARCH 29, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Watch ye, stand fast in the faith, quit you like men, be strong. (I Corinthians 16:13)

O God of the Ages past, everywhere present, everywhere available, and everywhere seeking to enter the heart of all to strengthen us and to sustain us, be with us this day and reveal Your ways to our waiting hearts. Make us so conscious of Your presence and so receptive to the leading of Your spirit that we shall be directed into right paths, make wise decisions, and formulate great plans for the welfare of all our people and the well-being of our beautiful Missouri.

With patience and perseverance, may we meet today with You to comfort us and halt unjust criticisms that rage about us. Together may we be firm in our faith, be strong, and do all things in love.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Stella Knight.

The Journal of the forty-first day was approved as printed by the following vote:

- (1) Each case in which an informant has been endorsed by the state to testify against a defendant's interest;**
- (2) The substance of the testimony; and**
- (3) Any benefit that has been requested by or has been offered to the informant, and any benefit that may be provided at a future date in connection with such testimony.**

3. On a monthly basis, each county's prosecuting attorney's office shall send the information described under subsection 2 of this section to the Missouri state highway patrol within the department of public safety, and the information shall be maintained in a centralized statewide record that is available to prosecuting attorneys throughout the state.

4. The information described in this section is accessible only by the prosecuting attorney's office and is not subject to the provisions under chapter 610. Nothing in this section shall be interpreted to exclude the mandatory disclosure of this information to a defendant through discovery, in accordance with *Brady v. Maryland*, 373 U.S. 83 (1963) and other controlling legal precedent.

5. If a prosecuting attorney endorses a witness to testify as an informant, the following material and information shall be disclosed within the time frame provided under rule 25 of the Missouri rules of criminal procedure:

- (1) The complete criminal history of the informant, including any charges that are pending or were reduced, amended, or dismissed as part of a plea bargain;**

- (c) Any cooperation agreement, deal, promise, inducement, or benefit that was requested, offered, or provided to the informant in connection with the informant's testimony; and**
- (d) Any other information that is requested to be disclosed under the Constitution of the United States, the Constitution of Missouri, and the Missouri rules of criminal procedure.**

6. Failure to provide in discovery information in response to subsection 5 of this section shall result in a waiver of absolute immunity for any prosecuting attorney who violates the provision and a waiver of qualified immunity for any law enforcement officer who fails to disclose benefits or promises of benefits.

7. In any criminal prosecution in which the prosecuting attorney's office intends to introduce the testimony of an informant and upon the motion of the defendant, the court shall conduct a pretrial hearing to determine whether the informant's testimony is reliable and therefore admissible based upon the material and information disclosed under subsections 5 and 6 of this section, as well as the following factors:

- (1) The extent to which the informant's testimony is supported by other evidence;
- (2) The specificity of the informant's testimony;
- (3) The extent to which the testimony contains details known only by the defendant;

10. 3. Upon granting of the order of expungement, the records and files maintained in any administrative or court proceeding in an associate or circuit division of the circuit court under this section shall be confidential and only available to the parties or by order of the court for good cause shown. The effect of such order shall be to restore such person to the status he or she occupied prior to such arrest, plea or conviction and as if such event had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction or expungement in response to any inquiry made of him or her for any purpose whatsoever and no such inquiry shall be made for information relating to an expungement under this section. A person shall only be entitled to one expungement pursuant to this section. Nothing contained in this section shall prevent the director from maintaining such records as to ensure that an individual receives only one expungement pursuant to this section for the purpose of informing the proper authorities of the contents of any record maintained pursuant to this section.

4. The provisions of this section shall not apply to any individual who has been issued a commercial driver's license or is required to possess a commercial driver's license issued by this state or any other state.";

Such services shall be provided in accordance with the provisions of Section 6403 of P.L. 101-239 and federal regulations promulgated thereunder;

(11) Home health care services;

(12) Family planning as defined by federal rules and regulations; **provided that, no funds shall be expended to any abortion facility, as defined in section 188.015, or to any affiliate or associate of such abortion facility; and further** provided, however, that such family planning services shall not include abortions or any abortifacient drug or device that is used for the purpose of inducing an abortion unless such abortions are certified in writing by a physician to the MO HealthNet agency that, in the physician's professional judgment, the life of the mother would be endangered if the fetus were carried to term;

(13) Inpatient psychiatric hospital services for individuals under age twenty-one as defined in Title XIX of the federal Social Security Act (42 U.S.C. Section 1396d, et seq.);

(14) Outpatient surgical procedures, including presurgical diagnostic services performed in ambulatory surgical facilities which are licensed by the department of health and senior services of the state of Missouri; except, that such outpatient surgical services shall not include persons who are eligible for coverage under Part B of Title XVIII, Public Law 89-97, 1965 amendments to the federal Social Security Act, as amended, if exclusion of such persons is permitted under Title XIX, Public Law 89-97, 1965 amendments to the federal Social Security Act, as amended;

(15) Personal care services which are medically oriented tasks having to do with a person's physical requirements, as opposed to housekeeping requirements, which enable a person to be treated by his or her physician on an outpatient rather than on an inpatient or residential basis in a hospital, intermediate care facility, or skilled nursing facility. Personal care services shall be rendered by an individual not a member of the participant's family who is qualified to provide such services where the services are prescribed by a physician in accordance with a plan of treatment and are supervised by a licensed nurse. Persons eligible to receive personal care services shall be those persons who would otherwise require placement in a hospital, intermediate care facility, or skilled nursing facility. Benefits payable for personal care services shall not exceed for any one participant one hundred percent of the average statewide charge for care and treatment in an intermediate care facility for a comparable period of time. Such services, when delivered in a residential care facility or assisted living facility licensed under chapter 198 shall be authorized on a tier level based on the services the resident requires and the frequency of the services. A resident of such facility who qualifies for assistance under section 208.030 shall, at a minimum, if prescribed by a physician, qualify for the tier level with the fewest services. The rate paid to providers for each tier of service shall be set subject to appropriations. Subject to appropriations, each resident of such facility who qualifies for assistance under

section 208.030 and meets the level of care required in this section shall, at a minimum, if prescribed by a physician, be authorized up to one hour of personal care services per day. Authorized units of personal care services shall not be reduced or tier level lowered unless an order approving such reduction or lowering is obtained from the resident's personal physician. Such authorized units of personal care services or tier level shall be transferred with such resident if he or she transfers to another such facility. Such provision shall terminate upon receipt of relevant waivers from the federal Department of Health and Human Services. If the Centers for Medicare and Medicaid Services determines that such provision does not comply with the state plan, this provision shall be null and void. The MO HealthNet division shall notify the revisor of statutes as to whether the relevant waivers are approved or a determination of noncompliance is made;

(16) Mental health services. The state plan for providing medical assistance under Title XIX of the Social Security Act, 42 U.S.C. Section 301, as amended, shall include the following mental health services when such services are provided by community mental health facilities operated by the department of mental health or designated by the department of mental health as a community mental health facility or as an alcohol and drug abuse facility or as a child-serving agency within the comprehensive children's mental health service system established in section 630.097. The department of mental health shall establish by administrative rule the definition and criteria for designation as a community mental health facility and for designation as an alcohol and drug abuse facility. Such mental health services shall include:

(a) Outpatient mental health services including preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management;

(b) Clinic mental health services including preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management;

(c) Rehabilitative mental health and alcohol and drug abuse services including home and community-based preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health or alcohol and drug abuse professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management. As used in this section, mental health professional and alcohol and drug abuse professional shall be defined by the department of mental health pursuant to duly promulgated rules. With respect to services established by this subdivision, the department of social services, MO HealthNet division, shall enter into an agreement with the department of mental health. Matching funds for outpatient mental health services, clinic mental health services, and rehabilitation services for mental health and alcohol and drug abuse shall be certified by the department of mental health to the MO HealthNet division. The agreement shall establish a mechanism for the joint implementation of the provisions of this subdivision. In addition, the agreement shall establish a mechanism by which rates for services may be jointly developed;

(17) Such additional services as defined by the MO HealthNet division to be furnished under waivers of federal statutory requirements as provided for and authorized by the federal Social Security Act (42 U.S.C. Section 301, et seq.) subject to appropriation by the general assembly;

(18) The services of an advanced practice registered nurse with a collaborative practice agreement to the extent that such services are provided in accordance with chapters 334 and 335, and regulations promulgated thereunder;

(19) Nursing home costs for participants receiving benefit payments under subdivision (4) of this subsection to reserve a bed for the participant in the nursing home during the time that the participant is absent due to admission to a hospital for services which cannot be performed on an outpatient basis, subject to the provisions of this subdivision:

(a) The provisions of this subdivision shall apply only if:

a. The occupancy rate of the nursing home is at or above ninety-seven percent of MO HealthNet certified licensed beds, according to the most recent quarterly census provided to the department of health and senior services which was taken prior to when the participant is admitted to the hospital; and

b. The patient is admitted to a hospital for a medical condition with an anticipated stay of three days or less;

(b) The payment to be made under this subdivision shall be provided for a maximum of three days per hospital stay;

(c) For each day that nursing home costs are paid on behalf of a participant under this subdivision during any period of six consecutive months such participant shall, during the same period of six consecutive months, be ineligible for payment of nursing home costs of two otherwise available temporary leave of absence days provided under subdivision (5) of this subsection; and

(d) The provisions of this subdivision shall not apply unless the nursing home receives notice from the participant or the participant's responsible party that the participant intends to return to the nursing home following the hospital stay. If the nursing home receives such notification and all other provisions of this subsection have been satisfied, the nursing home shall provide notice to the participant or the participant's responsible party prior to release of the reserved bed;

(20) Prescribed medically necessary durable medical equipment. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(21) Hospice care. As used in this subdivision, the term "hospice care" means a coordinated program of active professional medical attention within a home, outpatient and inpatient care which treats the terminally ill patient and family as a unit, employing a medically directed interdisciplinary team. The program provides relief of severe pain or other physical symptoms and supportive care to meet the special needs arising out of physical, psychological, spiritual, social, and economic stresses which are experienced during the final stages of illness, and during dying and bereavement and meets the Medicare requirements for participation as a hospice as are provided in 42 CFR Part 418. The rate of reimbursement paid by the MO HealthNet division to the hospice provider for room and board furnished by a nursing home to an eligible hospice patient shall not be less than ninety-five percent of the rate of reimbursement which would have been paid for facility services in that nursing home facility for that patient, in accordance with subsection (c) of Section 6408 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

(22) Prescribed medically necessary dental services. Such services shall be subject to appropriations. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(23) Prescribed medically necessary optometric services. Such services shall be subject to appropriations. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(24) Blood clotting products-related services. For persons diagnosed with a bleeding disorder, as defined in section 338.400, reliant on blood clotting products, as defined in section 338.400, such services include:

(a) Home delivery of blood clotting products and ancillary infusion equipment and supplies, including the emergency deliveries of the product when medically necessary;

(b) Medically necessary ancillary infusion equipment and supplies required to administer the blood clotting products; and

(c) Assessments conducted in the participant's home by a pharmacist, nurse, or local home health care agency trained in bleeding disorders when deemed necessary by the participant's treating physician;

(25) The MO HealthNet division shall, by January 1, 2008, and annually thereafter, report the status of MO HealthNet provider reimbursement rates as compared to one hundred percent of the Medicare reimbursement rates and compared to the average dental reimbursement rates paid by third-party payors licensed by the state. The MO HealthNet division shall, by July 1, 2008, provide to the general assembly a four-year plan to achieve parity with Medicare reimbursement rates and for third-party payor average dental reimbursement rates. Such plan shall be subject to appropriation and the division shall include in its annual budget request to the governor the necessary funding needed to complete the four-year plan developed under this subdivision.

2. Additional benefit payments for medical assistance shall be made on behalf of those eligible needy children, pregnant women and blind persons with any payments to be made on the basis of the reasonable cost of the care or reasonable charge for the services as defined and determined by the MO HealthNet division, unless otherwise hereinafter provided, for the following:

(1) Dental services;

(2) Services of podiatrists as defined in section 330.010;

(3) Optometric services as described in section 336.010;

(4) Orthopedic devices or other prosthetics, including eye glasses, dentures, hearing aids, and wheelchairs;

(5) Hospice care. As used in this subdivision, the term "hospice care" means a coordinated program of active professional medical attention within a home, outpatient and inpatient care which treats the terminally ill patient and family as a unit, employing a medically directed interdisciplinary team. The program provides relief of severe pain or other physical symptoms and supportive care to meet the special needs arising out of physical, psychological, spiritual, social, and economic stresses which are experienced during the final stages of illness, and

during dying and bereavement and meets the Medicare requirements for participation as a hospice as are provided in 42 CFR Part 418. The rate of reimbursement paid by the MO HealthNet division to the hospice provider for room and board furnished by a nursing home to an eligible hospice patient shall not be less than ninety-five percent of the rate of reimbursement which would have been paid for facility services in that nursing home facility for that patient, in accordance with subsection (c) of Section 6408 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

(6) Comprehensive day rehabilitation services beginning early posttrauma as part of a coordinated system of care for individuals with disabling impairments. Rehabilitation services must be based on an individualized, goal-oriented, comprehensive and coordinated treatment plan developed, implemented, and monitored through an interdisciplinary assessment designed to restore an individual to optimal level of physical, cognitive, and behavioral function. The MO HealthNet division shall establish by administrative rule the definition and criteria for designation of a comprehensive day rehabilitation service facility, benefit limitations and payment mechanism. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this subdivision shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2005, shall be invalid and void.

3. The MO HealthNet division may require any participant receiving MO HealthNet benefits to pay part of the charge or cost until July 1, 2008, and an additional payment after July 1, 2008, as defined by rule duly promulgated by the MO HealthNet division, for all covered services except for those services covered under subdivisions (15) and (16) of subsection 1 of this section and sections 208.631 to 208.657 to the extent and in the manner authorized by Title XIX of the federal Social Security Act (42 U.S.C. Section 1396, et seq.) and regulations thereunder. When substitution of a generic drug is permitted by the prescriber according to section 338.056, and a generic drug is substituted for a name-brand drug, the MO HealthNet division may not lower or delete the requirement to make a co-payment pursuant to regulations of Title XIX of the federal Social Security Act. A provider of goods or services described under this section must collect from all participants the additional payment that may be required by the MO HealthNet division under authority granted herein, if the division exercises that authority, to remain eligible as a provider. Any payments made by participants under this section shall be in addition to and not in lieu of payments made by the state for goods or services described herein except the participant portion of the pharmacy professional dispensing fee shall be in addition to and not in lieu of payments to pharmacists. A provider may collect the co-payment at the time a service is provided or at a later date. A provider shall not refuse to provide a service if a participant is unable to pay a required payment. If it is the routine business practice of a provider to terminate future services to an individual with an unclaimed debt, the provider may include uncollected co-payments under this practice. Providers who elect not to undertake the provision of services based on a history of bad debt shall give participants advance notice and a reasonable opportunity for payment. A provider, representative, employee, independent contractor, or agent of a pharmaceutical manufacturer shall not make co-payment for a participant. This subsection shall not apply to other qualified children, pregnant women, or blind persons. If the Centers for Medicare and Medicaid Services does not approve the MO HealthNet state plan amendment submitted by the department of social services that would allow a provider to deny future services to an individual with uncollected co-payments, the denial of services shall not be allowed. The department of social services shall inform providers regarding the acceptability of denying services as the result of unpaid co-payments.

4. The MO HealthNet division shall have the right to collect medication samples from participants in order to maintain program integrity.

5. Reimbursement for obstetrical and pediatric services under subdivision (6) of subsection 1 of this section shall be timely and sufficient to enlist enough health care providers so that care and services are available under the state plan for MO HealthNet benefits at least to the extent that such care and services are available to the general population in the geographic area, as required under subparagraph (a)(30)(A) of 42 U.S.C. Section 1396a and federal regulations promulgated thereunder.

6. Beginning July 1, 1990, reimbursement for services rendered in federally funded health centers shall be in accordance with the provisions of subsection 6402(c) and Section 6404 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989) and federal regulations promulgated thereunder.

7. Beginning July 1, 1990, the department of social services shall provide notification and referral of children below age five, and pregnant, breast-feeding, or postpartum women who are determined to be eligible for MO HealthNet benefits under section 208.151 to the special supplemental food programs for women, infants and

children administered by the department of health and senior services. Such notification and referral shall conform to the requirements of Section 6406 of P.L. 101-239 and regulations promulgated thereunder.

8. Providers of long-term care services shall be reimbursed for their costs in accordance with the provisions of Section 1902 (a)(13)(A) of the Social Security Act, 42 U.S.C. Section 1396a, as amended, and regulations promulgated thereunder.

9. Reimbursement rates to long-term care providers with respect to a total change in ownership, at arm's length, for any facility previously licensed and certified for participation in the MO HealthNet program shall not increase payments in excess of the increase that would result from the application of Section 1902 (a)(13)(C) of the Social Security Act, 42 U.S.C. Section 1396a (a)(13)(C).

10. The MO HealthNet division may enroll qualified residential care facilities and assisted living facilities, as defined in chapter 198, as MO HealthNet personal care providers.

11. Any income earned by individuals eligible for certified extended employment at a sheltered workshop under chapter 178 shall not be considered as income for purposes of determining eligibility under this section.

12. If the Missouri Medicaid audit and compliance unit changes any interpretation or application of the requirements for reimbursement for MO HealthNet services from the interpretation or application that has been applied previously by the state in any audit of a MO HealthNet provider, the Missouri Medicaid audit and compliance unit shall notify all affected MO HealthNet providers five business days before such change shall take effect. Failure of the Missouri Medicaid audit and compliance unit to notify a provider of such change shall entitle the provider to continue to receive and retain reimbursement until such notification is provided and shall waive any liability of such provider for recoupment or other loss of any payments previously made prior to the five business days after such notice has been sent. Each provider shall provide the Missouri Medicaid audit and compliance unit a valid email address and shall agree to receive communications electronically. The notification required under this section shall be delivered in writing by the United States Postal Service or electronic mail to each provider.

13. Nothing in this section shall be construed to abrogate or limit the department's statutory requirement to promulgate rules under chapter 536.

14. Beginning July 1, 2016, and subject to appropriations, providers of behavioral, social, and psychophysiological services for the prevention, treatment, or management of physical health problems shall be reimbursed utilizing the behavior assessment and intervention reimbursement codes 96150 to 96154 or their successor codes under the Current Procedural Terminology (CPT) coding system. Providers eligible for such reimbursement shall include psychologists.

208.153. 1. Pursuant to and not inconsistent with the provisions of sections 208.151 and 208.152, the MO HealthNet division shall by rule and regulation define the reasonable costs, manner, extent, quantity, quality, charges and fees of MO HealthNet benefits herein provided. The benefits available under these sections shall not replace those provided under other federal or state law or under other contractual or legal entitlements of the persons receiving them, and all persons shall be required to apply for and utilize all benefits available to them and to pursue all causes of action to which they are entitled. Any person entitled to MO HealthNet benefits may obtain it from any provider of services **which is not excluded or disqualified as a provider under any provision of law including, but not limited to, section 208.164**, with which an agreement is in effect under this section and which undertakes to provide the services, as authorized by the MO HealthNet division. At the discretion of the director of the MO HealthNet division and with the approval of the governor, the MO HealthNet division is authorized to provide medical benefits for participants receiving public assistance by expending funds for the payment of federal medical insurance premiums, coinsurance and deductibles pursuant to the provisions of Title XVIII B and XIX, Public Law 89-97, 1965 amendments to the federal Social Security Act (42 U.S.C. 301, et seq.), as amended.

2. MO HealthNet shall include benefit payments on behalf of qualified Medicare beneficiaries as defined in 42 U.S.C. Section 1396d(p). The family support division shall by rule and regulation establish which qualified Medicare beneficiaries are eligible. The MO HealthNet division shall define the premiums, deductible and coinsurance provided for in 42 U.S.C. Section 1396d(p) to be provided on behalf of the qualified Medicare beneficiaries.

3. MO HealthNet shall include benefit payments for Medicare Part A cost sharing as defined in clause (p)(3)(A)(i) of 42 U.S.C. 1396d on behalf of qualified disabled and working individuals as defined in subsection (s) of Section 42 U.S.C. 1396d as required by subsection (d) of Section 6408 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989). The MO HealthNet division may impose a premium for such benefit payments as authorized by paragraph (d)(3) of Section 6408 of P.L. 101-239.

4. MO HealthNet shall include benefit payments for Medicare Part B cost sharing described in 42 U.S.C. Section 1396(d)(p)(3)(A)(ii) for individuals described in subsection 2 of this section, but for the fact that their income exceeds the income level established by the state under 42 U.S.C. Section 1396(d)(p)(2) but is less than one

hundred and ten percent beginning January 1, 1993, and less than one hundred and twenty percent beginning January 1, 1995, of the official poverty line for a family of the size involved.

5. For an individual eligible for MO HealthNet under Title XIX of the Social Security Act, MO HealthNet shall include payment of enrollee premiums in a group health plan and all deductibles, coinsurance and other cost-sharing for items and services otherwise covered under the state Title XIX plan under Section 1906 of the federal Social Security Act and regulations established under the authority of Section 1906, as may be amended. Enrollment in a group health plan must be cost effective, as established by the Secretary of Health and Human Services, before enrollment in the group health plan is required. If all members of a family are not eligible for MO HealthNet and enrollment of the Title XIX eligible members in a group health plan is not possible unless all family members are enrolled, all premiums for noneligible members shall be treated as payment for MO HealthNet of eligible family members. Payment for noneligible family members must be cost effective, taking into account payment of all such premiums. Non-Title XIX eligible family members shall pay all deductible, coinsurance and other cost-sharing obligations. Each individual as a condition of eligibility for MO HealthNet benefits shall apply for enrollment in the group health plan.

6. Any Social Security cost-of-living increase at the beginning of any year shall be disregarded until the federal poverty level for such year is implemented.

7. If a MO HealthNet participant has paid the requested spenddown in cash for any month and subsequently pays an out-of-pocket valid medical expense for such month, such expense shall be allowed as a deduction to future required spenddown for up to three months from the date of such expense.

Further amend said bill, Page 3, Section 188.165, Line 10, by inserting after said section and line the following:

"188.805. 1. It is the policy of the state of Missouri to protect its unborn citizens from individuals and organizations that aid or abet the killing of unborn children, and to protect the unborn from those who seek to kill or otherwise harm them, to the maximum extent permissible under the Constitution and federal law.

2. Except as provided by subsection 3 of this section, it shall be unlawful for any person to perform or induce, or to attempt to perform or induce, an abortion on a resident or citizen of Missouri, or to aid or abet, or attempt to aid or abet, an abortion performed or induced on a resident or citizen of Missouri, regardless of where the abortion is or will be performed. The prohibition in this subsection includes, but is not limited to:

(1) Offering or knowingly providing transportation to or from an abortion provider;

(2) Giving instructions over the telephone, the internet, or any other medium of communication regarding self-administered abortion or means of obtaining elective abortions;

(3) Hosting or maintaining a website, or providing internet service that allows Missouri residents to access any website, that encourages or facilitates efforts to obtain elective abortions;

(4) Offering or providing money with the knowledge that it will be used to pay for, offset, or reimburse the costs of an abortion or the costs associated with procuring an abortion;

(5) Providing or arranging for insurance coverage of an abortion;
(6) Offering or providing "abortion doula" services;
(7) Providing referrals to an abortion provider;
(8) Coercing or pressuring a pregnant woman to have an abortion; and
(9) Engaging in any conduct that would make one an accomplice to abortion under sections 562.036 and 562.041.

3. Subsection 2 of this section does not prohibit:

(1) Abortions performed or induced in response to a life-threatening physical condition aggravated by, caused by, or arising from a pregnancy that, as certified by a physician, places the woman in danger of death or a serious risk of substantial impairment of a major bodily function unless an abortion is performed, or any conduct that aids or abets or attempts to aid or abet such abortions;

(2) Speech or conduct protected by the First Amendment of the United States Constitution, as made applicable to the states through the Supreme Court of the United States' interpretations of the Fourteenth Amendment of the United States Constitution, or by Article 1, Section 8 of the Missouri Constitution;

(3) Conduct that the state of Missouri is forbidden to regulate under federal law or the Constitution of the United States;

(4) Conduct taken by a pregnant woman who aborts or seeks to abort her unborn child; or

(5) Conduct taken at the behest of federal agencies, contractors, or employees that are carrying out duties under federal law, if a prohibition on that conduct would violate the doctrines of preemption or intergovernmental immunity.

4. Notwithstanding any other law, the requirements of this section shall be enforced exclusively through the private civil actions described in section 188.820. No direct or indirect enforcement of this section may be taken or threatened by the state, a political subdivision, a district or county attorney, or any officer or employee of this state or a political subdivision against any person or entity, by any means whatsoever, and no violation of this section may be used to justify or trigger the enforcement of any other law or any type of adverse consequence under any other law, except as provided in section 188.820.

188.810. 1. Abortion-inducing drugs are declared to be contraband in Missouri.

2. Except as provided by subsection 3 of this section, it shall be unlawful for any person to:

(1) Possess or distribute abortion-inducing drugs in Missouri;

(2) Mail, transport, or deliver abortion-inducing drugs in any manner to any person or location in Missouri;

(3) Provide information on how to obtain abortion-inducing drugs; or

(4) Host or maintain a website, or provide internet service that allows Missouri residents to access any website, that encourages or facilitates efforts to obtain abortion-inducing drugs.

3. Subsection 2 of this section does not prohibit:

(1) Speech or conduct protected by the First Amendment of the United States Constitution, as made applicable to the states through the Supreme Court of the United States' interpretations of the Fourteenth Amendment of the United States Constitution, or by Article 1, Section 8 of the Missouri Constitution;

(2) Conduct that the state of Missouri is forbidden to regulate under federal law or the Constitution of the United States;

(3) Conduct taken by a pregnant woman who aborts or seeks to abort her unborn child;

(4) The possession or distribution of abortion-inducing drugs for a purpose that does not include termination of a pregnancy;

(5) The possession of abortion-inducing drugs resulting from an effort to entrap individuals or entities that violate this section; or

(6) Conduct taken at the behest of federal agencies, contractors, or employees that are carrying out duties under federal law, if a prohibition on that conduct would violate the doctrines of preemption or intergovernmental immunity.

4. Notwithstanding any other law, the requirements of this section shall be enforced exclusively through the private civil actions described in section 188.820. No direct or indirect enforcement of this section may be taken or threatened by the state, a political subdivision, a district or county attorney, or any officer or employee of this state or a political subdivision against any person or entity, by any means whatsoever, and no violation of this section may be used to justify or trigger the enforcement of any other law or any type of adverse consequence under any other law, except as provided in section 188.820.

188.815. 1. Notwithstanding any other law, any person who manufactures, distributes, transports, provides, or aids or abets the manufacture, distribution, transportation, or provision of abortion-inducing drugs, including any person who hosts or maintains a website or provides internet service that allows individuals to access any website that encourages or facilitates efforts to obtain abortion-inducing drugs, shall be strictly, absolutely, and jointly and severally liable for the wrongful death of any unborn child or pregnant woman who dies from the use of abortion-inducing drugs, and for any personal injuries suffered by any unborn child or pregnant woman from the use of abortion-inducing drugs.

2. It is an affirmative defense if a person sued under this section:

(1) Was unaware that he or she was engaged in the conduct described in subsection 1 of this section; and

(2) Took every reasonable precaution to ensure that he or she would not manufacture, distribute, transport, provide, or aid or abet the manufacture, distribution, transportation, or provision of abortion-inducing drugs.

3. Notwithstanding any other law, if a plaintiff who brings suit under this section is unable to identify the specific manufacturer of the drug that caused the death or injury, liability shall be apportioned among all manufacturers of abortion-inducing drugs in proportion to each manufacturer's share of the market for abortion-inducing drugs, in accordance with *Sindell v. Abbott Laboratories*, 607 P.2d 924 (Cal. 1980).

4. Notwithstanding any other law, a person may bring an action under this section not later than six years after the date the cause of action accrues.

5. Notwithstanding any other law, the following are not defenses to an action brought under this section:

(1) Ignorance or mistake of law;
(2) A defendant's belief that the requirements or provisions of this section are unconstitutional or were unconstitutional;

(3) A defendant's reliance on any court decision that has been overruled on appeal or by a subsequent court, even if that court decision had not been overruled when the cause of action accrued;

(4) A defendant's reliance on any state or federal court decision that is not binding on the court in which the action has been brought;

(5) Non-mutual issue preclusion or non-mutual claim preclusion;

(6) The consent of the unborn child's mother to the abortion;

(7) Contributory or comparative negligence;

(8) Assumption of risk; and

(9) Any claim that the enforcement of this section or the imposition of civil liability against the defendant will violate the constitutional rights of third parties, except as provided by section 188.830.

6. Any waiver of the right to sue under this section shall be void as against public policy, and shall not be enforceable in any court.

7. This section shall not be construed to impose liability on speech or conduct protected by the First Amendment of the United States Constitution, as made applicable to the states through the Supreme Court of the United States' interpretation of the Fourteenth Amendment of the United States Constitution, or by Article 1, Section 8 of the Missouri Constitution.

8. Notwithstanding any other law, a civil action under this section shall not be brought:

(1) Against the woman who used abortion-inducing drugs to abort or attempt to abort her unborn child;

(2) Against any person who acted at the behest of federal agencies, contractors, or employees that are carrying out duties under federal law, if the imposition of liability would violate the doctrines of preemption or intergovernmental immunity; or

(3) By any person who impregnated the woman who used abortion-inducing drugs through an act of rape, sexual assault, or incest.

9. Notwithstanding any other law, including section 506.500, the courts of this state shall have personal jurisdiction over any defendant sued under this section to the maximum extent permitted by the Fourteenth Amendment to the United States Constitution.

188.820. 1. Any person, other than the state, its political subdivisions, or any officer or employee of a state or local governmental entity in this state, may bring a civil action against any person or entity that:

(1) Violates any provision of sections 188.805 and 188.810; or

(2) Intends to violate any provision of sections 188.805 and 188.810.

2. If a claimant prevails in an action brought under this section, the court shall award:
- (1) Injunctive relief sufficient to prevent the defendant from violating sections 188.805 and 188.810;
 - (2) Nominal and compensatory damages if the plaintiff has suffered injury or harm from the defendant's conduct, including, but not limited to, loss of consortium and emotional distress;
 - (3) Statutory damages in an amount of not less than ten thousand dollars; and
 - (4) Costs and attorney's fees.

3. Notwithstanding subsection 2 of this section, a court shall not award relief under subdivision (3) or (4) of subsection 2 of this section in response to a violation of subdivision 1 of subsection 1 of this section if the defendant demonstrates that the defendant previously paid or has been ordered to pay the full amount of statutory damages under subdivision (3) of subsection 2 of this section in a previous action for that particular violation of section 188.805 or 188.810.

4. Notwithstanding any other law, a person may bring an action under this section not later than six years after the date the cause of action accrues.

5. Notwithstanding any other law, the following are not defenses to an action brought under this section:

- (1) Ignorance or mistake of law;
- (2) A defendant's belief that the requirements or provisions of this section are unconstitutional or were unconstitutional;
- (3) A defendant's reliance on any court decision that has been overruled on appeal or by a subsequent court, even if that court decision had not been overruled when the cause of action accrued;
- (4) A defendant's reliance on any state or federal court decision that is not binding on the court in which the action has been brought;
- (5) Non-mutual issue preclusion or non-mutual claim preclusion;
- (6) The consent of the unborn child's mother to the abortion;
- (7) Contributory or comparative negligence;
- (8) Assumption of risk; or
- (9) Any claim that the enforcement of this section or the imposition of civil liability against the defendant will violate the constitutional rights of third parties, except as provided by section 188.830.

6. It is an affirmative defense if a person sued under this section:

- (1) Was unaware that it was engaged in conduct described in Sections 188.805 and 188.810; and
- (2) Took every reasonable precaution to ensure that it would not violate sections 188.805 and 188.810.

The defendant has the burden of proving an affirmative defense under this subsection by a preponderance of the evidence.

7. This section shall not be construed to impose liability on any speech or conduct protected by the First Amendment of the United States Constitution, as made applicable to the states through the United States Supreme Court's interpretation of the Fourteenth Amendment of the United States Constitution, or by Article 1, Section 8 of the Missouri Constitution.

8. Notwithstanding any other law, neither the state, any of its political subdivisions, any district or county attorney, nor any officer or employee of this state or a political subdivision shall:

- (1) Act in concert or participation with anyone who brings suit under this section;
- (2) Establish or attempt to establish any type of agency or fiduciary relationship with a plaintiff who brings suit under this section;
- (3) Make any attempt to control or influence a plaintiff's decision to bring suit under this section or the plaintiff's conduct of the litigation; or
- (4) Intervene in any action brought under this section.

This subsection does not prohibit a person or entity described in this subsection from filing an amicus curiae brief in the action, so long as that person or entity does not act in concert or participation with the plaintiff or plaintiffs who sue under this section or violate any provision of this subsection.

9. Notwithstanding any other law, a court shall not award costs or attorney's fees to a litigant who is sued under this section.

10. Notwithstanding any other law, a civil action under this section shall not be subject to any provision in section 1.302.

11. Notwithstanding any other law, a civil action under this section shall not be brought:

(1) Against a woman upon whom an abortion was performed or induced or attempted to be performed or induced in violation of this chapter, or against a pregnant woman who intends or seeks to abort her unborn child in violation of this chapter;

(2) Against any person or entity that performs, aids or abets, or attempts to perform or aid or abet an abortion at the behest of federal agencies, contractors, or employees that are carrying out duties under federal law, if a prohibition on such abortion would violate the doctrines of preemption or intergovernmental immunity;

(3) Against any common carrier that transports a pregnant woman to an abortion provider, if the common carrier is unaware that the woman intends to abort her unborn child; or

(4) By any person who impregnated a woman seeking an abortion through an act of rape, sexual assault, or incest.

12. Notwithstanding any other law, including section 506.500, the courts of this state shall have personal jurisdiction over any defendant sued under this section to the maximum extent permitted by the Fourteenth Amendment to the United States Constitution.

188.830. 1. A defendant against whom an action is brought under section 188.815 or 188.820 may assert an affirmative defense to liability under this section if:

(1) The defendant has standing to assert the rights of a woman or group of women seeking an abortion under the tests for third-party standing established by the Supreme Court of the United States; and

(2) The imposition of civil liability on the defendant will result in an undue burden on a woman or group of women seeking an abortion.

The defendant has the burden of proving an affirmative defense under this section by a preponderance of the evidence.

2. The affirmative defense under subsection 1 of this section is not available if the Supreme Court of the United States overrules *Roe v. Wade*, 410 U.S. 113 (1973) or *Planned Parenthood v. Casey*, 505 U.S. 833 (1992), regardless of whether the conduct on which the cause of action is based under section 188.815 or section 188.820 occurred before the Supreme Court overruled either decision.

3. Nothing in this section or chapter shall limit or preclude a defendant from asserting the defendant's personal constitutional rights as a defense to liability under section 188.815 or 188.820, and a court shall not award relief under section 188.815 or section 188.820 if the conduct for which the defendant has been sued was an exercise of state or federal constitutional rights that personally belong to the defendant.

4. Nothing in this section or chapter shall limit or preclude a defendant from asserting the unconstitutionality of any provision of this chapter or Missouri law as a defense to liability under section 188.815 or section 188.820.

188.835. 1. Notwithstanding any other law, including section 508.010, a civil action brought under section 188.815 or section 188.820 shall be brought in:

(1) The county in which all or a substantial part of the events or omissions giving rise to the claim occurred;

(2) The county of residence for any one of the natural person defendants at the time the cause of action accrued;

(3) The county of the principal office in this state of any one of the defendants that is not a natural person; or

(4) The county of residence for the claimant if the claimant is a natural person residing in this state.

2. If a civil action is brought under section 188.815 or section 188.820 in any one of the venues described in subsection 1 of this section, the action shall not be transferred to a different venue without the written consent of all parties.

188.840. 1. Notwithstanding any other law, the state shall have sovereign immunity, each of its political subdivisions shall have governmental immunity, and each officer and employee of this state or a political subdivision shall have official immunity, as well as sovereign or governmental immunity, as applicable, in any action, claim, counterclaim, or any type of legal or equitable action that challenges the validity of any provision or application of this chapter, on constitutional grounds or otherwise, or that seeks to prevent or enjoin the state, its political subdivisions, or any officer or employee of this state or a political subdivision from enforcing any provision or application of this chapter, unless such immunity has been abrogated or preempted by federal law in a manner consistent with the Constitution of the United States.

2. Notwithstanding any other law, no provision of state law shall be construed to waive or abrogate an immunity described in subsection 1 of this section unless it expressly waives or abrogates immunity with specific reference to this section.

3. Notwithstanding any other law, no attorney representing the state, its political subdivisions, or any officer or employee of this state or a political subdivision is authorized or permitted to waive an immunity described in subsection 1 of this section or take any action that would result in a waiver of such immunity.

4. Notwithstanding any other law, no court of this state shall have jurisdiction to consider any action, claim, or counterclaim that seeks declaratory or injunctive relief to prevent the state, its political subdivisions, any officer or employee of this state or a political subdivision, or any person from enforcing any provision or application of this chapter, or from filing a civil action under this chapter.

5. Nothing in this section or chapter shall be construed to prevent a litigant from asserting the invalidity or unconstitutionality of any provision or application of this chapter or Missouri law as a defense to any action, claim, or counterclaim brought against that litigant.

188.850. 1. Mindful of *Leavitt v. Jane L.*, 518 U.S. 137 (1996), in which in the context of determining the severability of a state statute regulating abortion the Supreme Court of the United States held that an explicit statement of legislative intent is controlling, it is the intent of the legislature that every provision, section, subsection, sentence, clause, phrase, or word in this chapter, and every application of the provisions in this chapter to every person, group of persons, or circumstances, are severable from each other.

2. If any application of any provision in this chapter to any person, group of persons, or circumstances is found by a court to be invalid, preempted, unconstitutional, or to impose an undue burden on any woman or group of women seeking an abortion, then the remaining applications of such provision to all other persons and circumstances shall be severed and preserved and shall remain in effect. All constitutionally valid applications of the provisions in this chapter, and every application of those provisions that can be enforced without imposing an undue burden on women seeking abortions, shall be severed from any applications that a court finds to be invalid, preempted, unconstitutional, or to impose an undue burden on women seeking abortions, and the valid applications shall remain in force, because it is the legislature's intent and priority that every valid application be allowed to stand alone. Even if a reviewing court finds a provision of this chapter to impose an undue burden in a large or substantial fraction of relevant cases, the applications that do not present an undue burden shall be severed from the remaining applications and shall remain in force, and shall be treated as if the legislature had enacted a statute limited to the persons, group of persons, or circumstances for which the statute's application does not impose an undue burden.

3. The legislature further declares that it would have enacted this chapter, and each provision, section, subsection, sentence, clause, phrase, word, and all constitutional applications of the provisions of this chapter, irrespective of the fact that any provision, section, subsection, sentence, clause, phrase, or word, or applications of this chapter were to be declared invalid, preempted, unconstitutional, or to impose an undue burden.

4. If any provision of this chapter is found by any court to be unconstitutionally vague, then the applications of that provision that do not present constitutional vagueness problems shall be severed and remain in force, consistent with the severability requirements of subsections 1, 2, and 3 of this section.

5. No court may decline to enforce the severability requirements of subsections 1, 2, 3, and 4 of this section on the ground that severance would rewrite the statute or involve the court in legislative or lawmaking activity. A court that declines to enforce or enjoins a state official from enforcing a statutory provision does not rewrite a statute, as the statute continues to contain the same words as before the court's decision. A judicial injunction or declaration of unconstitutionality:

(1) Is nothing more than an edict prohibiting enforcement that may subsequently be vacated by a later court if that court has a different understanding of the requirements of the Missouri Constitution or United States Constitution;

(2) Is not a formal amendment of the language in a statute; and

(3) No more rewrites a statute than a decision by the executive not to enforce a duly enacted statute in a limited and defined set of circumstances.

6. If any state or federal court disregards the severability requirements of subsections 1, 2, 3, 4, or 5 of this section, and declares or finds any provision of this chapter facially unconstitutional, when there are discrete applications of that provision can be enforced against a person, group of persons, or circumstances

without violating federal law, the federal or state constitutions, or imposing an undue burden on women seeking abortions, then that provision shall be interpreted, as a matter of state law, as if the legislature had enacted a provision limited to the persons, group of persons, or circumstances for which the provision's application will not violate federal law, the federal or state constitutions, or impose an undue burden on women seeking abortions, and every court shall adopt this saving construction of that provision until the court ruling that pronounced the provision facially unconstitutional is vacated or overruled."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

FORTY-THIRD DAY, WEDNESDAY, MARCH 30, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

What is impossible with men is possible with God. (Luke 18:27)

O God of life and love, by whose creative spirit we have the gift of a new day and in whose sustaining presence we are given strength for these hectic hours, we pause in silence before You under the pressure of persistent duties which lays its demanding hands upon us.

We would yield our lives to You and go forth into the day strengthened with Your unfailing spirit in our hearts and sustained by an unfaltering trust in the wisdom of Your way. In these troubled and trying times give us the courage that never fails, the faith that never falters, and the hope that never fades.

Upon our Governor, our Speaker, the Members of this House, upon all who make decisions which determine our destiny, grant wisdom that they may be wise, strength that they may be strong, and love that they may be filled with humility.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Cela Follis, Mitchell Riley, and Sophie Riley.

The Journal of the forty-second day was approved as printed.

Representative Eggleston assumed the Chair.

JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

FORTY-FOURTH DAY, THURSDAY, MARCH 31, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Representative Doug Richey.

Our heavenly Father, we are so very grateful to stand in this chamber on behalf of Missourians. We acknowledge that, more importantly, we stand in this chamber by Your sovereign hand. You are the God of peace. We are in desperate need of peace. You are the God of grace. We are in desperate need of grace. You are the God of truth. We are in desperate need of truth. You are the God of strength. We are in desperate need of strength. We stand here asking for Your provision regarding these needs. May we not squander Your provision. Help us to work faithfully before You, in our service to Missourians.

In the name of Jesus, I pray, and the House says, Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Tripp Fuller.

The Journal of the forty-third day was approved as printed by the following vote:
